

Letter to the Board of Directors for the Twin Rivers Preserve P.O.A.

My name is Steve Pritchard I am a 63 year old Floridan born in Tampa, Florida. My mother was born in Perry, Florida in 1933. My wife and I have live in the small town of Kathleen, Florida for the past 27 years we have raised two boys and two girls and have 10 Grand children. My wife is a Nationally reconized Taxidermist and has a triving business I have been employed by Tri-City Electrical Contractors for 34 years and three years ago we became a employee owned company, Iam a Senior Project Manager for them and I am solely responable for 25 to 35 million dollars of work each year. I am a Deacon at our Church and I have been on the board of directors for the last three years. My wife was the President of the Florida State Taxidermist Association for several years and I was on the board of directors for them. My wife and I are active in several charity organizations. My Hobbies are Fishing Hunting, Golf, and Re-storing antique Cars.

Thank you for your Consideration

Sincerely

Steve Pritchard
