Assessment carried out by Chris Quinn

Hazard	Possible Harm	Control Measure	Risk Rating	Further Action
Nightline	Students and staff	<ul style="list-style-type: none"> Make sure all students are happy to be blindfolded. Set up nightline and remove any hazards from the route. All students are required to wear a helmet if instructor deems it necessary. Run through clear instructions of when to stop and go. Make constant checks throughout activity to ensure everyone is happy to continue. Remind students to take care and be cautious with steps so that they do not slip or trip. Ensure if using equipment e.g. tunnels etc that they are fit for use. Make learners aware that the activity will require them to wear a mask. Reassure participants to speak up if they feel uncomfortable. 	Low
