

Risk Assessment Archery

Date assessment carried out May 2025

Date assessment to be reviewed May 2026

Assessment carried out by Tom Edghill

Hazard	Possible Harm	Control Measure	Risk Rating	Further Action
Shot by arrow	All individuals	<ul style="list-style-type: none"> Safety information stated in the brief. Clear waiting, shooting and target zones established. Safety command explained and reinforced throughout the session - "fast" or "stop" to be used. Arrows only to be touched following the command "Fire When Ready" or "load". No one to load their bow until they are standing astride the firing line. Once a participant has shot all three arrows they are to sit down on the bench or retire from the firing line and await further instructions. No one is to distract a person when they are in the act of loading an arrow or shooting. No one to collect arrows until the command "Collect Your Arrows". No one to move forward of the firing line until told to do so. No one to move up range unless instructed to by range instructor. 	Medium	<p>Constant reminders regarding safety.</p> <p>Sign to mark firing line, and safe area.</p> <p>Participants to stay in safe zone until called.</p> <p>Use of safety arrows.</p>
