# Editor's Notes

Brian Miller - War Whoop Editor

**T**his issue is the same size as the last issue. We have the usual War Bonnet Gourmet column and we also have another article from our President, Steve Pistole. We also have a short article from Glen Hoskins about all of us losing Richard Davis.

Richard was one of the first people I met when I joined the club 20 years ago. He had a red, late 80's 928 and I used to watch him race the car at the autocrosses. He was the one that talked me into autocrossing my old 924 and he was my autocross instructor.

I remember shortly after him instructing me at the autocross, he picked up a blue Boxster S and I rode with him once through one of the courses at the autocross. He certainly loved speed!! He later purchased a black 944 turbo and then an absolutely beautiful blue 928 and he autocrossed all of them.

When I took over the editor position of the club back in 2003, he was instrumental in helping me learn the program. Back then I had to work on the issue, burn the final version onto a CD and then hand deliver the CD to him at his house. The issue had to be in two different files, one for the cover and another for the content because the

cover was printed on a heavier stock paper. He was like a teacher and would go over my final product. I strived to have him go over the issue and not find any errors. I got better over time but I think he always found something that I could have done better.

We would then have to organize an assembly party and about 7 or 8 of us would meet at Kimray and print and assemble each issue including stapling and mailing. It took several hours of work but it was always fun.

He also hosted poker night at his house and he was always the luckiest poker player at the table. We even had a hand that was called the "Richard Davis Hand". It was a 5,2 offsuit. If anyone had that they had to stay in no matter the betting. It was amazing how many times the "Richard Davis Hand" won.

Richard Davis is on the front cover of this issue. That picture was taken at an autocross in 2003 or 2004. He always had a grin on his face at the autocross. He will be missed.

# President's Podium

Steve Pistole - War Bonnet President

The National Porsche Club of America has sent official recognition to the War Bonnet Club congratulating us on our 55th anniversary as a Porsche car club. While not a moon shot, this is no small accomplishment for a car club. Enthusiasm can come and go. Members get tired of organizational tasks and clubs fade away. Not so with the Oklahoma City Porsche bunch. This also serves as recognition of Porsche's history of excellence.

National sent copies of some of the old documents. The original club was chartered in December of 1966 and included 74 counties in Oklahoma and the western half of Arkansas. As the club grew the boundaries were revised 4 times. We currently serve 46 counties.

The club was initially affiliated with Loyd Brown Volkswagen of Tulsa as it was also a Porsche dealer. The dealership was instrumental in acquiring a charter from the Porsche Club of America. The club started with 11 members and annual dues were four dollars. Interestingly enough liability insurance and waivers were required

by PCA even in 1966.

The War Bonnet regions specialty was technical sessions. A few members would arrange vehicles with issues and a knowledgeable member from Fort Worth would go through show and tell on various repairs. The Tech Sessions became a big event. At one point they were held in Oklahoma City and Tulsa. In the early 70's it was a major PCA event, second only to Parade in attendance.

Times and club events change. Today social events seem to be the most popular and well attended. Currently the club conducts a breakfast meeting at different locations throughout the metro area along with overnight trips and info sessions with Porsche related businesses. With COVID restrictions coming to an end we will look into expanding our club events.

## Cilantro Lime Grilled Salmon

### INGREDIENTS

4 (6-oz.) salmon fillets  
Kosher salt  
Freshly ground black pepper  
4 tbsp. butter  
1/2 c. lime juice  
1/4 c. honey  
2 garlic cloves, minced  
2 tbsp. Chopped cilantro

### DIRECTIONS

Season salmon with salt and pepper. Heat grill and place salmon on grill flesh side down. Cook for 8 minutes then flip and cook on other side until salmon is cooked through, 6 minutes more. Let rest 5 minutes.

Meanwhile make sauce: In a medium saucepan over medium heat, add butter, lime juice, honey, and garlic. Stir until butter is melted and all ingredients are combined. Turn off heat and add cilantro.

Pour sauce over salmon and serve.

# Remembering Richard Davis

It is with great sadness that I write that one of the former members of War Bonnet Region has died. Richard Davis was a 20+ year friend and fellow Porsche enthusiast. He died as a result of a stroke, on February 12th, 2021. He was just 61 years old.

The family did hold a graveside service for family and close friends. I was invited and asked to limit any club members to just a few members. Brian Swope and Michael Carr were able to help represent the WBR region PCA.

Richard served as president of the region in 2007 and 2008. He served as vice president for over 4 years under Mike Lindsey and Ken Johnson. He was the autocross chairman for at least two years. When Brian Miller, our current War Whoop editor, took over the duties of getting this publication produced, he was instrumental in helping Brian learn the publishing program and the computer the club owns.

Richard was our first web master and he put War Bonnet Region on the web back in 2000 or possibly earlier. He even hosted the web page at his house on his personal web server free for several years.

You may remember Richard's very pretty, blue metallic 928 GTS4 5-speed. It was one of just two 928s that were GTS 4-cams and a 5-speed in that color.

He was very fast in it at many years of autocrossing. He also owned a Cayenne Turbo that was just silly fast. He did enjoy speed.

Richard and I ate lunch together for over a decade once per week at various restaurants. We were typical guys, one would send the other a simple one-word text of "lunch" and the other would reply with the name of a restaurant, or just no, if there was a conflict. We knew what time, as that was always the same. Just where was the question. We did not bother to chat about where, we could talk over lunch. I am certain we solved the world's problems in our conversations and had many laughs and good times.

Richard hosted the popular WBR poker game at his house, and the games of pool that the region had for many years. His nickname was the Stick, to pay homage to his skills with the pool cue.

I will miss Richard's sense of humor, and his stories and conversation. He helped me set up our company email with Microsoft Exchange. Now I administrate our email personally. It was easier to just call Richard and have him do it for me, but he taught me the basics.

The family asked that you plant a tree in his honor.

We are excited to announce our collaboration with Clubregistration.net !!

Utilizing this service for our events that require waiver such as autocross, club drives, or social dinners captures your e-signature and makes sure all waivers are signed and stored in our system with minimal to no hand to hand contact at event check in. This also gives us a head count for events that need seating or food accommodations.

We will provide direct links on our website and mailers so that you can go straight to the event you want to register for so that you do not have to search the site for your event.

To sign the required waivers, you must enable the e-signature function. Once enabled the waivers for your events will appear in your dashboard for you to sign.

For further questions please reach out to Laura Swope. [ljswope@yahoo.com](mailto:ljswope@yahoo.com)
