Editor's Notes

Brian Miller - War Whoop Editor

This issue we have once again the usual War Bonnet Gourmet column and we also have our President's article from Matt Herndon. I did not include the Board Minutes column in this issue but I did include the newest calendar of events.

I have been updating our Board Members page at the end of the newsletter. Steve Pistole has stepped away from the board and Andy Brant has been elected to replace Steve on the board. Joanne Wong has also stepped down from the board and has been replaced by Mike Holtgrieve. They will each serve on the board for the remainder of the term from the individual they replaced. I have made the changes to the terms at the end of this issue.

I still need pictures of some board members and for some of them I need email and contact phone numbers. Once I get that information, the page will be complete.

In the Membership column, I once again added a picture from an event from years ago. This issue is a picture from a Hooters Car Show we held back in 2011. Two of our junior members sat in the car that they chose as their favorite. I remember the event well and it was a lot of fun.

Hope you enjoy this issue and I look forward to the upcoming year and attending some events in the future. Hope to see you at an event soon!

President's Podium

Matt Herndon - War Bonnet President

This year is looking very promising. I know we are only a couple of months into the year, but it looks like we have several of our members that are planning some interesting events.

During the month of March, I attended the yearly President's meeting. The meeting was held in Tulsa this year. All the Presidents in Zone 5 district were in attendance. It was very interesting talking to all of them and listening to all of the things that are happening in Zone 5. There were several things that I took away from these meetings.

One important idea that came up in the discussions was the simple concept of keeping in touch with the members. It is very important and very rewarding to keep in touch with the members whether it is a long-term member or a member that has just recently joined. Members are a good source of information that other members will appreciate in sharing. It is nice for each member to know that they can contact board members for information and questions. They can also contact board members if they want to volunteer for events and committees.

It seems that the zone, as a whole, is having trouble getting younger members that own Porsche's involved in their clubs. It was informative to

listen to the issues they are having both in the bigger regions and the smaller ones. It was also good to hear that as a whole the zone is growing. This growth is still happening even though there are pressures to retard the growth. Unfortunately, there are current situations that concern the lack of new vehicles and the higher prices in the used car market. Even with these obstacles people are still buying Porsche's and joining the club.

Another thing as some of you know, we had our first autocross event of the year this past March. I believe that it went very well considering that we took a year off in 2021. We had a very good turnout for the event, and everyone had a very good time. I know that many of you have not been to this event in the past couple of years and I would encourage you to come to an event to either watch or to participate.

There is an important event coming up in May. The Cimarron Region located in Tulsa is hosting a Mayfest event at Hallett and the Warbonnet Region has been invited to attend. This is a chance for both members and nonmembers to

go to a true racetrack at Hallett Motor Racing Circuit. This is a fun event if you have never been. This is a great experience of actually getting on and driving on a racetrack that is a controlled track and have some fun.

It looks like even with only a few months into the new year, we have had some fun events. But it looks like the rest of the year will be bright and full of fun.

Greek Meatballs with Lemon Dill Rice

By Laura Swope

Ingredients

For the meatballs:

- 1 1/4 pounds ground beef
- 1/4 cup breadcrumbs
- 1 teaspoon dried oregano
- 1/2 teaspoon lemon zest
- 1 clove garlic minced
- 1 egg
- 1 teaspoon kosher salt
- 1/4 teaspoon black pepper

Remainder ingredients:

- 1 tablespoon olive oil
- 1 1/2 cups Village Harvest Arborio Rice
- 3 1/2 cups chicken broth
- kosher salt and pepper to taste
- 2 zucchini quartered lengthwise and cut into 1/2 inch thick slices
- 1/2 cup cherry tomatoes halved
- 1/4 cup fresh dill minced
- 1 tablespoon lemon juice

Instructions

1. For the meatballs: Combine all the ingredients along with 1 tablespoon of water in a bowl. Mix until thoroughly combined. Shape the meat mixture into balls that are 2-3 inches in diameter.
2. Preheat the oven to 350 degrees.
3. Heat the olive oil in a large skillet

over high heat. Place the meatballs in the pan and cook for 3-4 minutes on each side or until browned.

4. Pour the chicken broth and rice into the pan, along with 1/2 teaspoon of kosher salt and 1/4 teaspoon black pepper. Bring the mixture to a boil, cover the pan and place it in the oven.

5. Bake for 25 minutes or until the rice has absorbed all the liquid.

6. Place the zucchini into the pan, cover and return to the oven for an additional 5 minutes or until zucchini has cooked through.

7. Remove the pan from the oven. Stir the lemon juice and dill into the rice and place the cherry tomatoes on top. Serve immediately.
