Editor's Notes

Brian Miller - War Whoop Editor

This issue we have added another full color advertiser so it is nice to be able to add more color to these issues.

Earlier last month we received the news that Jay Hanas had passed away. I first met Jay and his wife Jane back in 2002 or 2003 when I first joined the club. I decided to put a photo of him with his 996 on the cover of this issue. The photo below was one that I had taken during one of our car shows in 2006 I believe. His wife loved that picture of Jay looking over the field of Porsches and she had asked for extra copies of the War Whoop that month

because of that picture. We routinely sat together at the club breakfasts and even though he was a big Yankee fan and he knew I loved the Red Sox, I think he enjoyed watching my joy when the Red Sox won in 2004.

Jay - Thanks for sharing your love of Porsches and baseball with myself and my family.

Please call to schedule your appointment NOW!

President's Podium

Social events have been the focus of club participation this season so I thought I would give the membership a general review of the events.

Coffee and Cars

Coffee and Cars has been a prominent part of the car culture in OKC for years. The OKC version of the largely spontaneous, first Saturday of the month, no registration show up and enjoy event originated on west Memorial near May avenue. The first one I attended was about 15 years ago. A little organization was added and the event moved to North Park Mall at 122nd & N. May. The shopping center was largely vacant when the event

Steve Pistole - War Bonnet President

began. The center filled up. The event grew and moved to it's current location at the Chisholm Creek shopping center 1332 W. Memorial. The club moved our monthly breakfast meeting to allow members to attend both events.

During the summer cars start showing up at 5:00 AM. One of the guys told me "It's kind of like fishing but you don't have to bring all that stuff". I've talked to attendees from Wichita to Ardmore. Upon occasion Ferrari of Dallas will

bring a car or two. It will draw a crowd. The police were called early one Saturday morning when a single engine aircraft was in the parking lot. As it turned out the aircraft was a trailered display unit, assembled on site, promoting a parachute recovery system. The organizer added some vendors and off duty police for crowd control. They have sold or given away 20,000 Cars & Coffee OKC tee shirts since the start. Some car clubs will meet off site and come over early in mass to park together. Porsche is always well represented from 100 point 356 restorations to special edition 911 models to the semi exotic GT RS models as well as us regular Porsche folks. It's a good chance to compare notes, parts suppliers and detailing tricks.

Breakfast Meeting

This season the club breakfast's have

been well attended with anywhere from 9 to 20+ attendees. Food, social chit chat, car talk and a small parking lot car show is the usual agenda. It's a relaxed event with all Porsche fans welcome. Locations vary and the board is always looking for a new place. We would like to have a place with good food, room for a group in addition to the Saturday regulars and plenty of parking. If you have a suggestion notify a board member.

Motors In The Morning

For the last two years our local Porsche dealership has hosted a Saturday morning event on the third Saturday of the month. This year it's mainly doughnuts and car talk with, staff, about a dozen members and a few non members. Porsche manufacturing has fallen victim to the supply chain issues plaguing the industry and new cars are few and far between. As usual there are

interesting Porsche owners to visit with. Matthew Riley the CEO of Astron Aerospace was at the dealership during the September event. He has designed and built a motor, the size of a soft side lunch box cooler, that produces about 800 HP. This invention could revolutionize several industries. He's a serious Porsche guy and very interesting to listen to.

Sonic Night

This is the War Bonnet version of Coffee & Cars. Maybe we should call it Hamburgers & Porsches. The drive in is an American tradition and I've always had good luck with the food at Sonic. Why not go out for the evening, who knows what you will see.

Enjoy your cars, common interest with the other owners and have a good time every chance you get. If you have an idea for a club event send me an e-mail. We will take a look.

Discussed upcoming calendars: All tentative as we are following State and PCA National COVID guidelines and recommendations. Calendars subject to change.

October Calendar

9th Club Breakfast- Ingrid's 3701 N Youngs Blvd 8:30a Club drive to the Route 66 Museum in Clinton OK to follow

21st Sonic Drive-In night 6p (3015 NW Expressway OKC)

November Calendar

10th Board Meeting- ZOOM 7p

13th Club Breakfast- Neighborhood Jam 102 W Main Street Norman 8:30am

18th Sonic Drive-In night 6-8p (3015 NW Expressway OKC)

December Calendar

4th Christmas Dinner Oak Tree Country Club 7pm

11th Club Breakfast – Rays Café 2727 NW 50th 8:30am

16th Sonic Drive-In night 6pm (311 E. Waterloo Road Edmond OK 73034)

New Business Discussed:

Vince has confirmed date and location for Christmas Party. Date is Dec 4th. Cost will be \$25 per member. Door prizes were discussed as well as a DVD gift per family of LeMans. This motion was approved. Also discussed giving our postcard sponsors free ticket to the meal to thank them for their support.

In November Christmas dinner mail outs as well as nominations for board members rolling off. Members rolling off the board, Brian Swope (able to be return) Vince Howie (able to return) Martin Engster.

The lack of autocross was discussed. We spoke about the insurance protection from national. They continue to not send the requested documents and our only clear

understanding at this time is that if there is an accident with any damage especially sever damage our insurance policy will not cover and the club is responsible. Currently the cost to rent a facility and security hinders our options as this event is not brining in enough money to always cover the base costs. All members of the club are encouraged to help locate another

facility that is low cost or free of cost so that we can attempt to hold autocrosses again.

Meeting was called to a close at 7:57pm

Roster Report

We now have a total of 369 total members for our region. This is an decrease of about five members from the last issue.

While looking for pictures to include in this issue, I came upon this picture of one of our autocrosses from back in 2003 or 2004. Jay Hanas is in his 1972 911 and in the background is a picture of my old 924 I used to have. When I came across this picture I just had to include it in this issue. Maybe I will start to include an old picture from autocrosses long ago and put them in each issue.

Here are the new members for this issue. Mark Frymire has joined in a

Brian Miller - Membership Chairman

2001 Boxster S and William Gosney is in the club with a 2018 718 Boxster. Larry Greenshaw has joined driving a 1961 356 and William Sultemeier is in the club with a 2019 718 Cayman GTS. Our newest member is Cody Valentine driving a 2013 911. Hope to see all of you at one of the events soon!

LINDSEY
