# Editor's Notes

Brian Miller - War Whoop Editor

**T**his issue wraps up another year and we have had another great year of events. We had our usual car shows at both Hooters and Twin Peaks as well as the Charity Car Show. We have had our monthly breakfasts at some of our favorite breakfast locations around the city and our monthly autocrosses continue to be popular. Our annual New Member Social was also well attended and our Route 66 trip in the summer was a lot of fun.

We had our first ladies only autocross

in July and we had our Christmas Dinner at a new location this year. This upcoming year we will continue to schedule our usual monthly events but be on the lookout for some new events at some new locations in the upcoming year. Have a great Christmas and safe New Year!

## **War Bonnet PCA is expanding on Social Media**

**On Facebook, we will be using the  
new War Bonnet PCA organization  
page exclusively.**

The old War Bonnet PCA group page is now inactive due to changes by Facebook and to better manage our social media presence. We will be working to migrate content from the old page to the new page.

Thank you for your enthusiasm for Porsche, the Porsche Club of America and the War Bonnet Region.

We look forward to seeing you at the many events planned for the rest of 2015 and during our 50th Anniversary in 2016.

# President's Podium

Grady Buckhalter - War Bonnet President

The year has been wrapping up and the membership has been active these last few months. We have been blessed with some wonderful weather to enjoy the Fall Out-N-Back Tour to Arkansas, Coffee and Cars and auto crosses. We held our last board meeting in November and concluded some club business for 2015 and began the planning cycle for 2016. We held our yearly Christmas Dinner this year at the Hefner Grill and had a wonderful time. The location, food and service were excellent. At the dinner the new board members were announced. In 2016, Glen Hoskins, John Leaton and Steve Heintze will begin serving as board members.

The end of 2015 is here but the beginning of 2016 is just around the corner. This is my last President's Podium article as my term as President coincides with the end of 2015. I want to let everyone know that it has been a pleasure and a privilege to fulfill the duties of President. I plan to stay active in the club and I will always be available if anyone has questions about the club or Porsches in general. The club has several new officers and a new President for next year and I want to encourage everyone to give them your full support as we move forward.

2016 holds quite a bit of promise with multiple activities and a once in a lifetime event, but I don't want to steal your new President's thunder, so without further delay....

Hello, my name is Randal Goodman and I am proud and very privileged to be the next War Bonnet President.

I have been a member of the PCA since 2003, but an enthusiast of the Porsche marque since I was a kid. My first Porsche "Baron" is a 1968 912 that I received for my 16th birthday. I still own the 912 after more than 30 years. My wife, Delpha and I currently also own a 2004 Cayenne and a 2003 Boxster S. We are involved in many of the events throughout the year including going to the breakfasts, tours, auto cross, car shows and Porsche Parade.

I look forward to 2016 as this is the War Bonnet Regions 50th year! The year is special and we as a group should be proud of what the club has done and what we will do in the future. The year will be very busy with celebrations. Myself and the rest of the board members will be planning special

events throughout the year. I encourage all of the members of the region to attend and get involved in the events to make this year a great celebration. We encourage everyone to make suggestions for events and volunteer to run and organize events. John Leaton has been elected to the Board and is our social chair for this year. Steve Heintze has also been elected to the Board and puts on wonderful Out N Back tours. Glen Hoskins has also been elected to the Board and is our treasurer along with participating in autocross and other activities.

As 2016 begins, we can hope for good weather to enjoy the activities planned so far, with many more in the planning stages. Please check the web page calendar, the War Whoop newsletter, Facebook, Twitter and Instagram for updates on news and events going on in the region as we will adding special events throughout the year to celebrate our 50th year.

I encourage everyone to come out to events to see friends, meet new friends and enjoy your Porsche.

# Between the Cones

hope everyone had a wonderful Christmas holiday with family and friends. I hope that all of you found a new Porsche under your Christmas tree. We are closing out 2015 and getting ready to welcome the new year of 2016. We are hoping it will be a good year for everyone, the War Bonnet chapter and Autocross.

2015 was an interesting year for our Autocross. We had both good and bad this past year but mostly good. We had a slightly different format that included both Saturday and Sunday events. Based on your feedback, we will go back to an all Sunday schedule for 2016. We changed for 2015 as a result of your feedback and will continue to listen to your comments and requests.

In May the Sherriff's Training Center flooded and we had to cancel Auto Cross for a few weeks. This was an unusual weather year and we constantly monitor the track so that we don't expose anyone to any unnecessary risk. Due to us setting up the track schedule a year in advance, when we have a cancellation we won't be able to make up the event. Hopefully we won't have any cancellations in 2016. In July, we had our first women's Auto Cross event. The Women's Auto Cross was a

Matt Herndon

complete success. We had our female members and some visitors from Texas. The feedback from all the women was very positive. They all said that they enjoyed the weekend and hope that we make this a permanent feature of Auto Cross. They said they are planning to come back again in 2016. I am pleased to say that we will have another women's event in 2016. I will also send an invitation out to the Tulsa Club in hopes to get more women involved.

Also, we had a few members from the Tulsa Cimarron Region's Porsche Club come over and join our Auto Cross. Our feedback from those that came was very encouraging and it sounds like they will come back again.

I would like for everyone to attend at least one Auto Cross event this year. The event calendar schedule is on our web site. Our Auto Cross track is setup either as a skills course or a speed course. It is never the same circuit on back to back events. I look forward to seeing you at our course events.

# Treasurer's Tid-Bits

**G**uess what? The treasury is still in sound financial shape. We continue to make a good income from the autocross. The 2015 Christmas party was well attended. We had nearly 40 people attend and the food and service were excellent. We will likely use the Hefner Grill for the 2016 Christmas party.

One of the new board members is John Leaton. John is the man that steered the effort to find a new venue for our Christmas party. John is now the activities chairman, it is great to have a new board member working to improve our social calendar and put forward some new ideas for club activities.

Randal Goodman is the new president, and I think Randal will do a great job leading the club. Randal and his wife Delpha have been energized with enthusiasm after the 2015 Porsche Parade. It is wonderful to see the enthusiasm for the Porsche club from a couple. Delpha has been coming to the autocrosses and getting involved with many aspects of the club. From an old timer like myself, thank you, Randal and Delpha for the year of work ahead.

I expect it has been mentioned elsewhere in the War Whoop that Steve Hintze and myself were re-elected to the board. Steve has been another great

Glen Hoskins - Treasurer

asset for the club. He has been running the club web site for several years. Steve has been the ramrod for the numerous spring and fall tours. All of the tours have received rave reviews by all the members that have participated.

I can't finish without another plug for the autocross. Matt Herndon works hard to put on a fun and safe event for the members. If you have ever wanted to have some legal fun in your Porsche, you owe it to yourself to come out to the autocross. I have never missed a year of autocross in all my years in PCA.

I also want to thank Grady Buckhalter for his two years of service to the club as president. Grady was almost shanghaied to be the president. He stepped out of the room and the board elected him president before he could refuse service. So thank you, Grady. Thank you, Matt, for your hard work also. Matt keeps talking about retiring from the autocross chairman job. He is stuck with the job for life or until someone comes along and really wants to replace him.

# Roster Report

**W**e are currently at 173 members and it seems we increase every month. We usually have 2 or 3 new members each month but we lose 2 or 3 each month from allowing their membership to lapse. In October, we didn't have any members have their membership lapse and in November, we only had one member not renew.

This is the last issue for this year and I would like to thank the board members who have rolled off this year. Grady Buckhalter, who has been our president the last two years has done a wonderful job as president and under him we have added more membership and more activities. Thanks Grady.

Another board member that rolled off the board was Glen Hoskins. But guess what, he was voted back on the board so he will continue on as our treasurer. The other board member who rolled off

Brian Miller - Membership Chairman

was Edwin Seda. He was a member who was voted onto the board by the board members to take the place of a board member who was not able to finish his term. Thank you Edwin for serving on the board.

Here are the new members for this issue: Randy Trachtenberg has joined the club with his 1989 944 turbo. Trey Ayers has also joined the club driving a 2006 911. Our newest member this time is Delpha Goodman with her 2003 Boxster S. I would like to welcome all of them to the War Bonnet Region of the Porsche Club!

# Board Meeting Minutes

Louis Lackey - Secretary

The November board meeting was held at Steve Hintze's home and in attendance were Steve Hintze, Chad Goodman, Randal Goodman, John Leaton, Brian Miller, Mike Holtgrieve, Steve Pistole and Grady Buckhalter. Steve took advantage of the wonderful weather and provided grilled burgers and brats as the main course of the dinner.

The board reviewed the 2016 calendar for activities in the months of January through March. Locations for breakfast, board meetings and poker were confirmed as well the dates for the auto crosses.

The names of people coming off the board were reviewed and people were nominated to be new board members. The board decided that voting would be by paper ballot and the list of nominated members and a brief bio of each would be published on the website. Three people are coming off the board, including Grady Buckhalter, which means that a new president will be elected once the new board members are elected.

The Christmas Dinner was the topic of discussion for the remainder of the meeting. After some discussion it was decided the entire menu would be offered to the membership and that all

meals would be the same price of \$25 per meal. The dinner menu will be posted to the website and reservations will be accepted by mail with receipt of menu selections and payment. The Children's Center will be the recipient of the toy drive this year. Requests for unwrapped gifts and links to the "need" lists will be part of the posting on the website. The deadline for reserving place at the dinner will be November 29 and reservations will be first come, first served.

New business was brought up by Chad Goodman. Due to some recent changes with the Facebook terms of use, Chad has changed the War Bonnet FaceBook page to a Non Profit categorization. There is no way to migrate members from the old page to the new page so all members will need to do so themselves.

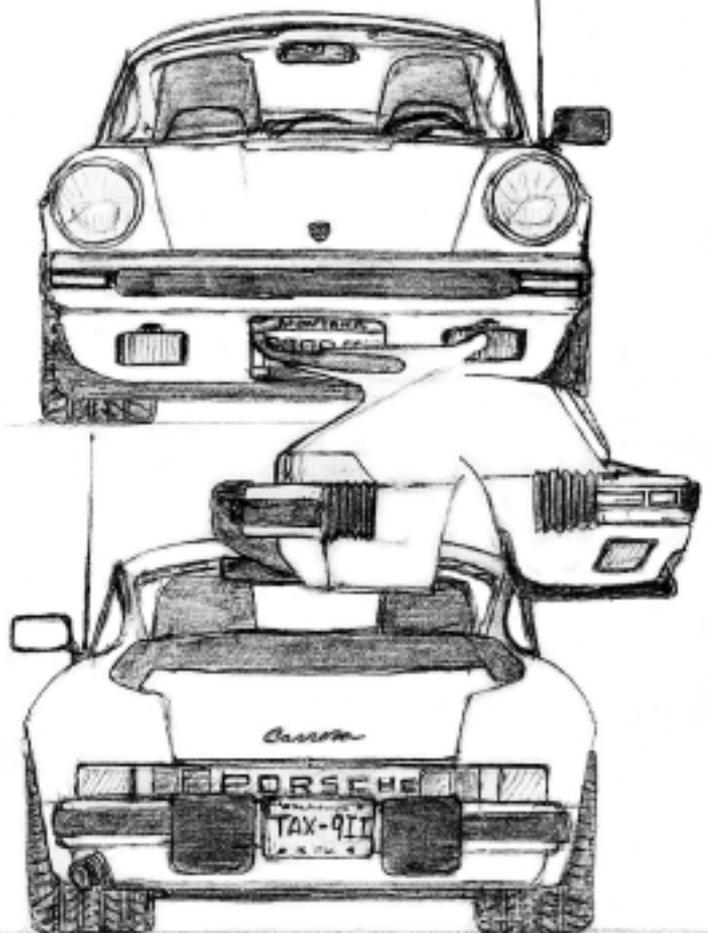

The next meeting will be in January and hosted by Matt Herndon, Vice President and Auto Cross Chair.
