# Editor's Notes

Brian Miller - War Whoop Editor

**T**his issue is a little smaller than the others in the past. With the Christmas and New Year break, we had to go without the usual article from Matt regarding the autocross. I am sure we will get his submission for the next issue though.

I have not heard the results of the board member elections, but we will have three new board members for the next issue. I would like to thank Eric Costello, Chad Goodman and Steve Pistole for serving on the board. Eric Costello was on the ballot, so if he was re-elected, I am sure he will remain on as our president. Chad and Steve have both served two terms and therefore, must sit out at least one year.

I am eager to find out who the new board members will be and I am sure they will have input about events and activities and maybe we will see some new events in our calendar.

Hope everyone is still able to enjoy their Porsche even during the winter months and recently it has been extremely cold. Just remember, warmer weather will be here soon!! Have a great winter season!

An advertisement for Red Carpet Full Service Car Wash. The ad features the company logo in a red and white font, followed by the text "Full Service Car Wash Exterior Wash & Towel Dry Detail Center" and "Maid for Your Car™". Below this, it says "Sparkling Clean while you Relax since 1972". At the bottom, there are four phone numbers for different locations: 208 S. Air Depot (737-8807), 6405 N. May (840-4477), 5100 N. # President's Podium

I can't believe 2017 is already over and 2018 has begun. I don't understand it, but as I get older time goes by faster. The cold has finally arrived which means the winter projects on our cars are in full swing. For me getting the Porsche(s) ready for the War Bonnet winter and spring events is almost as much fun as attending.

I want to thank each member of the War Bonnet Region of PCA. Whether you attend all or none of the events, your membership is appreciated. Membership in War Bonnet continues to grow. Over the last three years membership has increased from 268 to 314, an increase of 17%.

January events: Board meeting at Costello's, January 10 at 7 pm. Matt Herndon will host poker at his home on Friday, January 12 at 7 pm. Breakfast at The Miller Grill in Yukon Saturday, January 20 at 9 am.

February events: Matt Herndon will host poker at his home on Friday, February 9 at 7 pm. Breakfast at Old School Bagel in Edmond Saturday, February 17 at 9 am.

Eric Costello - War Bonnet President

March events: Matt Herndon will host poker at his home on Friday, March 9 at 7 pm. Autocross! Edmond Fire Training Center, Sunday, March 11 at 9 am. Board meeting at Randall's, March 14 at 7 pm. Breakfast at Furr's in Moore Saturday, March 17 at 9 am.

The War Bonnet Region is committed to you. If there is an event that you would like or don't like, speak up! The best way to communicate is to email a board member. When members contribute, the success of War Bonnet is guaranteed.

As we move into the new year, remember family and friends come first, our good fortune to know one another, and to enjoy the company of one another.

# Roster Report

# Treasurer's Tid-Bits

Glen Hoskins - Treasurer

The club checking account is at \$7,227.20 as of the end of 2017. We have not had many expenses in recent months with the autocross season on hiatus. The club Christmas Party was not subsidized by the club this year. Every person was responsible for their own tab, and we had a good showing of members.

I just filled out some of the silly paperwork that PCA national requires every year. The biggest part of the operating budget for the club was our autocross for many years. Now we are happy to break even on an autocross, so the PCA national rebate each quarter is a big part of the income for the region. If you want to really bore your family and friends with trivia, you can tell them that the club was incorporated on July 10th, 1967. We did not apply for and receive a tax exempt status until April of 1976. That was before I was part of WBR so it was not my fault!

I moved to Oklahoma City in July of 1978, and I did not know anyone except my grandparents. I loved them all dearly, but hanging out at the grandparent's house was not at the top of my to-do list on the weekends. I received my first War Whoop back then and saw some upcoming War Bonnet

Region events. My first club event was a swim party at a member's condominium pool house. It was in Tulsa and I did not even know where Tulsa was. I went to our club president's house and followed him to Tulsa to the pool party. I do remember a Tulsa member had a new 911 Turbo that was astonishingly fast, with the massive 260 HP. Every car magazine of the era proclaimed it the fastest production car they had ever tested. He was giving rides and using a local interstate on ramp as his test track.

My wife and I attended the recent Porsche Palooza in Eureka Springs, Arkansas. It is a fun long weekend. The roads in that part of the country are some of the best in the country. Nice and smooth with a curvy road and a posted speed limit at 55 MPH. There is no way to go 55 through many of the turns in anything short of the 918 that was there driving on the roads. It was cool to see a 918 with bug splatters and real road dirt on it, actually being driven. They have many miles of wonderful roads and the traffic is not bad.

One great advantage of Porsche Palooza is the low price. I have been to many Porsche Parades and the price keeps getting higher. It is a pricey week to go to Parade. It is just a bargain at Palooza. The hotels are \$60 a night and the event registration is cheap. They have many different fun day trips and a meal each night. Check it out for 2018.

Porsche Parade for 2018 is going to be in central Missouri. That is the closest Parade will be for a while. If you want to participate, look in the Panorama in upcoming issues, and usually in March there is a registration reminder. Everything is done on-line and they are getting better at it every year. It will take you at least an hour on-line so budget some time to get it done. You

need to have a current user name and password for the PCA national web site. I have heard from several of the members that they don't see updates and notices about local events. If your email has changed at all in the last few years, or if you have a different vehicle, please check out the national web site. I will apologize ahead of time for how bad the national web site is. They seem to work hard at making it not easy to use. Maybe it will get better in the next few months.

With winter upon us you need to be sure to drive your Porsche some and don't let it sit neglected all winter.

# Board Meeting Minutes

November 8th, 2017

In attendance: Eric Costello, Janie Tigert, Brian Miller, Randal Goodman, Chad Goodman, Grady Buckhalter, Steve Hintze, Matt Herndon, Glen Hoskins and Steve Pistole.

Eric opened the meeting at 7:15pm.

Many National awards were talked about and that nominations will be accepted by PCA through the end of December.

Chad spoke of the success of the first couple of autocross events at the Edmond Fire Training Center and the club will continue to bring coffee. Chad also spoke of listening to a webinar about social media and how our club is doing a very good job on our social media sites. The Board talked about adopting social media guidelines.

The following new business was talked about by Eric and the Board. The club discussed having at least 1 and maybe 2 tech sessions for 2018 with further discussion and dates to be set at a future meeting.

Glen gave the Treasurer's report and discussed the donation that will be given to Sunbeam Family Services. Eric moved for a donation of \$1,000. Steve Pistole seconded the motion with the Board voting all in favor.

Randal Goodman - Secretary

Old business was then discussed. The Classics on the River car show was discussed with Board voting to stay with the Mercedes club. The Board decided to continue with no food truck and open the show to all European makes of vehicles. We will discuss with the Morelli car show about combining the two shows. We are looking at getting more advertising out and sooner for the 2018 show which is tentatively set for September 15th, 2018. The Board is also looking for possibly getting a different site for the show. If you have any ideas, please let a Board member know.

The Board discussed the outstanding turnout for the Saturday morning drive to the Rock Cafe in Stroud. Randal spoke of the fantastic customer service shown by the staff at the Rock Cafe. When the cafe found out more people were coming than originally expected, they closed to the general public for an hour just to serve our club.

The Out and Back trip to Arkansas was canceled per Steve Hintze.

The last autocross for the year will be in November and then resume after the first of the year. The Club will continue to allow non Porsche club members to join the autocross events. The performance of the radios was discussed. Matt will check them and report back at the next meeting.

The last business discussed was the Christmas dinner that will be held Saturday, December 16th at the Hefner Grill. Eric will talk with Porsche OKC

about bringing some door prizes and invite them to bring two guests. Randal will look for some door prizes as well.

The calendar was the last item discussed with events being discussed through spring of 2018. If you have any ideas for events or would like to volunteer to help organize an event, please contact any Board member.
