Editor's Notes

Brian Miller - War Whoop Editor

This issue we have another new article from Matt Herndon, our President. The Board Minutes are back in this issue and hopefully, I will get a new War Bonnet Gourmet column for the next issue. The calendar of events have been updated and are listed inside the front cover.

I still need pictures of some board members and for some of them I need email and contact phone numbers. Once I get that information, the board members page will be complete.

In the Membership column, I once again added a picture from an event from years ago. This issue is a picture from a Hooters Car Show we held back in 2009. If I remember right, this was one of our first Hooters Car Shows and we filled their parking lot. I will be including a "Blast from the Past"

picture from events over the years in the membership column over the next couple issues and we will see if people continue to enjoy seeing the old events.

I am picking up my search on a 2017 or 2018 Boxster. It seems the Miami Blue color is really hard to find. I might be expanding the search to a Sapphire Blue if I can find the right one with low miles and at the right price. Can't wait to pick one up soon and come out to one of the events. Hope to see you at an event soon in my new car!

Please call to schedule your appointment NOW!

President's Podium

During this month of May I was able to attend MayFast at Hallett Motor Speedway hosted by the Cimmaron Region. I attended their meeting and talked to some people involved with their DE events. While walking around and seeing the way the Cimmaron Region runs their DE events, I was able to pick up some ideas and information that could help us in the coming years. A lot of what I observed and heard was very informative and educational. If we start running some of our own events in the future for our region, they will be a great source of information.

As I was talking to some drivers and spectators, I ran into a past president of the War Bonnet Region. His name is Kai Gerkey. He was president in 1986. It was nice to talk to him and see how things were back then for the War Bonnet Region. It was eye opening to see the differences and similarities that we both have experienced with the 35-year time difference. I was talking to his wife and she mentioned that she can see the same determination in me that he had back in 1986 when he was president. I was very flattered by her comments. It was good, as always, to talk to the past president of the club to see that we all have our own problems: some the same and some different. History has a way of repeating itself

Matt Herndon - War Bonnet President

and as a whole the club and wonderful people in it will always be similar, but also different depending on the year that you are in.

It was nice to hear that the club is the same but has changed with the times through out the years. It was great catching up with Kai and sharing our enthusiasm for cars as well as getting his advice on a few things, both club related and car related.

After talking to both him and his wife about their history and life, and what they have seen over the years, I was able to compare and appreciate what is going on with the club and my life at this point in time. I got to see their run group go around the track at Hallett. I talked to a couple more people and decided that it was time to go back home and continue working on my current project car. I look forward to going to the facility in the future and have some fun of my own.

War Bonnet Board Meeting

May 11, 2022

Attending: Matt Herndon, Glen Hoskins, Martin Engster, Chad Goodman, Brian Swope, Laura Swope, Katelyn Herndon, Randal Goodman, Mike Holtgrieve, Reagan Holtgrieve, Bob Wilson, Andy Brandt, Brett Nelson, Jessica Nelson, and Matt Porter (via Zoom)

Office Reports: President (Matt Herndon): A/X number magnets have been ordered to replace the missing ones. A new Membership Chair is needed to replace Brian Miller. He has decided to step away from that role. Replacement does not need to be on the board. A new Secretary is needed. The replacement must be a board member. Mike Holtgrieve offered to take on the duties of Secretary.

Treasurer (Glen Hoskins): Books are in order. Club continues to maintain a CD in addition to the checking account used for normal activity.

Autocross (Matt Herndon): ? Review of Autocross schedule for 2019. Purchased new "soft" sockets for tech inspections. Exploring replacement of damaged timing equipment.

Tour Chairman (Matt Porter): The last tour in April went very well. Good roads, good company and good food. Looking to lead another 2-Day Southeast OK/Western AR Grand Tour including Beavers Bend July 23-24.

New Business: Matt Herndon is working to get merchandise with our War Bonnet Region logo available through the PCA National webstore. After a discussion it was agreed that we should initially limit it to T-Shirts, Polos and Hats. There was discussion of providing a store credit for new members but the idea will need more research as to the amount and feasibility. The board did not approve anything at this time.

There was a mixed for/against discussion regarding name tags for board members and members at large.

PCA's new Drone Policy will be in place soon. DRONES ARE ONLY ALLOWED WITH PRIOR PERMISSION AND MUST FOLLOW VERY STRICT GUIDELINES!

Region Event Waivers and Insurance documents need to be kept for 8yrs but do not have to be in paper form. PCA provides a "Glovebox" cloud storage if regions choose to use it.

Regions need to maintain a "Redbook" of electronic accounts and passwords in case of emergency.

The sales of Electric Vehicles continue to increase and is expected to be about 70% of cars by 2030. PCA is looking into how that will effect Driver Education and Autocross events moving forward.
