# Editor's Notes

Brian Miller - War Whoop Editor

**T**his issue is back to the usual size and inside the front cover you can find our calendar of events. I am sure there is something there for everyone so be sure to check out the events and plan on coming out for some of our fun events planned for this spring and summer.

Our big event coming up is the New Member Social on June 9th. We are still securing a location but it looks like it will be at Hideaway Pizza on Memorial. If the location changes, we will notify everyone. We will be contacting all the new members (those that have joined in the last 12 months) and we will welcome them to the event. Their meal will be paid for by the club so there is no excuse for them not to attend this event.

Probably the biggest event of the year is coming up on September 15. I am working with securing a park in Moore and once I lock in a location, we will notify everyone. This event is our annual European Car Show and we contact a lot of other car clubs in the area and there is usually a great turnout of really nice European cars.

Now that the weather is warming up, be sure to get out there and enjoy your Porsche!

An advertisement for Red Carpet Full Service Car Wash. The ad features the company logo in a red and white font, followed by the text "Full Service Car Wash Exterior Wash & Towel Dry Detail Center" and the slogan "Maid for Your Car™". Below this, it says "Sparkling Clean while you Relax since 1972". At the bottom, there are four addresses and phone numbers: 208 S. Air Depot (737-8807), 6405 N. May (840-4477), 5100 N. Penn (840-4446), and 7224 W. Hefner (773-7222). The website www.redcarpetokc.com is listed. On the right side, there is an image of a hand holding a small silver car, and another hand holding a clump of dirt. A Facebook logo is in the bottom right corner.

# President's Podium

Spring is here and the War Bonnet region is turning gasoline into noise (or electrons for those with hybrids)! There are always new faces and cars to see at our events. Come on out and meet them both. At our recent breakfast I could tell who was already there just by looking in the parking lot. I might forget your name, but I will remember your car :-)

Steve Hintze and I missed the club breakfast in February. We were in Little Rock attending the Zone 5 President's conference. This year we had presentations from PCA Past President Manny Alban, Insurance and Risk Management Chair Ken Laborde, Driving Tours Chair Greg Halverson, and Social media Chair Maggie Garnett.

Mr. Alban updated the progress PCA is making toward the Vision 2020 goal of 100,000 members. Mr. Laborde's insurance talks are always the most interesting (amazing I know). Insurance and Risk Management continue to be important topics for PCA. Mr. Halverson discussed the new minimum standards for driving tours. Ms. Garnett ended the day with the

Eric Costello - War Bonnet President

importance of having a proper Social Media Policy. Most of the topic slides were sent to me after the meeting. If you would like a copy, let me know. Due to the great people we have in leadership, the War Bonnet Region meets or exceeds most of the PCA standards.

The War Bonnet monthly autocross has begun! The first event was a bit cold, but we all enjoyed the time running our engines to the red line. Subsequent autocross events will be held on the second Sunday of the month. The last event will be in October. Thanks Matt Herndon and Steve Pistole for your help.

The War Bonnet Region is committed to you. If there is an event that you would like or don't like, speak up! The best way to communicate is to email a board member. When members contribute, the success of War Bonnet is guaranteed.

# Between the Cones

Our first autocross of 2018 is now under our belt. Now we can look forward to having a fun and safe new season on the track. It looks like it is going to be a good year with some new and old faces coming out to our first event.

This first autocross was on Sunday the 11th of March. We had some new people come out to the Edmond Fire Training facility with some of our regular participants. That Sunday was a success and it is always a good thing to see new faces at the facility. The new faces had heard about us from either social media or from someone else that had been out to either this facility or our old one. Having new drivers come out to the facility shows their intent is to improve their driving skills and abilities; along with that they benefit from meeting new and interesting people.

I am always happy to see and interact with the new driver that comes out to our events. I feel that it is always in my best interest to help the new faces to be comfortable around both the new and old people and for them not to be nervous out on the track. Some of them are doing something new and different that at first can seem intimidating and scary. With that being said, I feel that it is in my best interest to put a good and

Matt Herndon

reliable instructor with them to make sure that they don't over do it on their first runs. On their first time on the track they need to gradually build their learning experience and they will learn a lot about improving their skill set.

We also had some participants that have been around and a part of the War Bonnet group for many years. I feel that I can rely on these people to show up and be supportive time after time. I would now like to thank all of the War Bonnet members, and the non-members, that come out and help me run each event. Further, I would like to thank them for supporting the event along with participating in it.

In conclusion, I am always thankful to see new and eager drivers come out and enhance their skills along with having fun. I am also glad to see the veterans come out and support me and the club at these events.

# Treasurer's Tid-Bits

Glen Hoskins - Treasurer

**T**he club checking account is at \$7,695.36 as of the end of March 2018. Eric Costello, our president, and Steve Hintze, the vice president, both attended the recent PCA presidents meeting in Arkansas. The club picked up the expenses for them to drive over and for the hotel and some meals. We should all thank them for taking time from their busy schedules to attend the meetings.

We have had two autocrosses since my last article. We took in a total of \$820 for the two, but we spent \$550 to pay for the site and the security the city of Edmond requires. So we did earn a profit, but not like the good old days of using the Sheriff's track.

The big news is Porsche Parade is closer this year any time than since the Fort Worth parade back in 2004 or the War Bonnet & Cimarron parade hosted in Oklahoma back in 1996. Don't miss this easy one day drive to central Missouri to attend Parade. It appears we will have a great turnout of War Bonnet members from the comments I have heard about the people attending. We are looking into designing a t-shirt or polo shirt with a special color and graphic to identify the War Bonnet region members. We can all wear them one night to a banquet and be seen as a

group. Please let Eric Costello know if you are interested in a shirt for you and your family members. If you have an artistic streak, please let us know, we are looking for some ideas for the design.

Parade is not just an event for the guys to play with their cars. It is a family event, and my wife attends most years, and she will be there again this year. For the members with children, Parade has a big Parade Kids event that lasts all week. Please check it out if you have kids (or grandkids) and are interested in attending.

The big event each year is the first full day, the Concours is held. You will see cars that are rare, and you have never seen before, as well as many cars just like yours or daily drivers.

The Rally is something that takes a different brain type than either my wife or I possess. We tried it, and did not care for it, but many people really enjoy it. We just take a relaxing tour and see some sites we would never see otherwise. In fact the tours are now a major part of Parade, and they are a lot

of fun. We usually meet somewhere for a lunch break and the restaurant is ready for a large group.

Parade has banquets almost every night. There is one free night with no organized event. The concours banquet is the fancy night that they usually like to have business casual but if you are the type that likes to get all dressed up, that is the night. You will not find me in a suit and tie.

At the other banquets, casual is fine. The meals are expensive, but they

usually have good food and a long program. We usually don't stick around for the entire program as many of them run late into the evening, and there is something to do early the next morning. Parade is all about meeting with fellow Porsche enthusiasts and learning something new. The tech sessions are interesting and the many events have something for everyone. We hope to see you there!

# Roster Report

**W**e had six new members for March and three new members for the month of April. I expect these numbers to grow as the summer months sees our biggest growth in new members.

Here are the new members for this issue: Darryl Cole has joined driving a 2003 Boxster. Alec Goldsmith has joined the club with a 1984 911. Justin Greenfield is in the club with a 2007 Boxster S. Juan Silva has joined with a 2014 911 and Michael Trent has joined with a 2014 911 turbo. Alain Verhille

Brian Miller - Membership Chairman

has joined with a 2018 Cayman S. Gary James is in the club with 2017 Cayman and Rou Rempel has joined with a 2009 Boxster. Our newest member is Kevin Sallee with a 2006 Cayman S. I would like to welcome him to the War Bonnet Region of the Porsche Club!
