Editor's Notes

Brian Miller - War Whoop Editor

It's hard to believe that this will be the last issue of the War Whoop for this year. The next one will be the December - January 2018 issue. It seems that winter has just around the corner as well as baseball is winding down and the cooler weather will be here soon.

My Boston Red Sox were eliminated in the first round of the playoffs this year. For me it is always sad to watch the final out of a baseball season. It reminds me of a saying by A. Bartlett Giamatti, a former commissioner of baseball and Red Sox fan - "Baseball breaks your heart. It is designed to break your heart. The game begins in the spring when everything else begins

and it blossoms in the summer filling our afternoons and evenings. And then, as soon as the chill rains come, and when you need it the most, it stops and forces you to face the fall alone."

For me, winter began the moment of that last out. In fact it felt colder outside that afternoon. Only five months until spring training though. I can't wait!!

Enjoy your Porsche !

Fall is here and the club calendar is busier than ever. But first, I wish to thank everyone for attending our August and September events. Between War Bonnet events and non War Bonnet events, there is something to do almost each weekend in November.

November events: Board meeting at Glen's home, November 8 at 7 pm. Louis Lackey will host poker at his home on Friday, November 10, at 7 pm. Breakfast at IHOP Bricktown Saturday, November 11, at 9 am. Autocross Sunday, November 12 at Edmond Fire Department, I-35 and Covell.

Porsche Palooza is November 9 through 11th in Eureka Springs, Arkansas. Mark Bottrell will be leading a group this year. If you would like to go, let Mark know by contacting him by phone at (405) 208-2575 and/or email mbottrell@icloud.com.

For those of us who can't attend Porsche Palooza, Steve Hintze is planning an Out-N-Back two day drive for November 11 and 12th. We always have a great time on these tours. If you

Eric Costello - War Bonnet President

would like to go, let Steve know by emailing him at byuhog@gmail.com.

My biggest thank you goes out to Steve Pistole and Matt Herndon for getting us back out on the auto cross track. The facility at the Edmond fire department is top notch. There are real bathrooms and running water! Having coffee and light snacks was fantastic. The next auto cross event is November 12th.

As a member of the War Bonnet Region of PCA you are welcome to attend any Board Meeting. Come on out and see what we are doing for the club. New ideas are always welcome.

The complete calendar is on the inside cover of the War Whoop. Be sure and pick a few events to attend. See you soon!

Between the Cones

ello all, it's time to update you on our progress to have autocross events. We are ecstatic to report that our first autocross in over a year took place this past September.

We had a great turnout for the restart of the autocross events. Plus, there will be some upcoming changes to the next two autocross events. With that being said, we are glad to be back up and running. We hope to continue events similar to this first event until we can get back to the Sheriff's Training Center course.

On Saturday the 9th of September, the War Bonnet Region had their first autocross in over a year. I can say that we had a great turn out with around 25 drivers. All of the participants were PCA Members. I would also like to extend a 'thank you' to the four drivers who came down from the Tulsa Cimarron region to participate in our autocross event.

Cimarron's autocross event took place the following day and we had a few War Bonnet drivers take the trip to participate in that event as well.

Following the completion of the first War Bonnet autocross event of the year, we are pleased to announce that we will have two more events that will take

Matt Herndon

place before the end of the current calendar year. This will be followed by a break until we restart the autocross events in May of 2018.

We plan to open the next two events this year to both PCA and Non-PCA members. We will be capping registration to the first 40 drivers that show up to the event and don't have their vehicle disqualified from being able to participate.

Two drivers sharing the same vehicle will be counted as 2 against the total and not 1 because they are sharing a vehicle. PCA Members will have the first open slots. All non PCA member attendees will be allowed to register on a first come, first serve basis following the PCA members sign up.

I would like to conclude by thanking all the members from both the War Bonnet Region and the Cimarron Region for coming out to our autocross. I hope to see this same group come back for the next two events this year. I hope that we don't have to turn anyone away from

the next two events but I would like to see as close to 40 participants as we can get. We would like to see some of the old non-members show up for the next two events as well as some new non-members from around the area. This track is a nice track but I personally miss

the Sherrif's Training center track since it offers a better variety of event layouts.

Treasurer's Tid-Bits

Glen Hoskins - Treasurer

The club treasury received a nice infusion of money from PCA national. The regular quarterly rebate was \$883, and we also received a special rebate for the charity car show of an additional \$450 for the Sunbeam Family Services car show held at the Devon Boathouse.

For the car show we took in a grandtotal of \$739. It is a strange number because several members donated some extra cash for the charity. All the proceeds for the car show will be donated to the Sunbeam Family Services.

The site rental cost was split with the Mercedes club, and the Boathouse foundation discounted the cost since we were doing a charity event. In the end, our half of the cost was \$375.

We did not print t-shirts and we did not have a food truck or other items that have eaten into the profits as in the past. I have not yet heard what income the Mercedes club received. I do know the Mercedes dealer donated \$5,000 directly to Sunbeam because of the car show.

The Mercedes club has more members than War Bonnet region, and they had a few more cars participate. We split the car show, and they take care of their part, and we do our part but we each

take care of the money made for the car show and the donation to Sunbeam.

The local Porsche dealer did support us this year by bringing out 4 brand new cars for the display, and they had some employees on site to answer questions. We really appreciate the support from Porsche of Oklahoma City and all the members that showed up in their Porsches to help make the show bigger and better than in the past.

We also took in money from an autocross. Yeah, the autocross is back! The track cost us \$200 to rent, and we have to hire an Edmond Police officer to provide security. The officer costs us an additional \$150, so just putting on the autocross now has a base cost of \$350. We took in \$480 so we did make a profit.

I want to thank Steve Pistole for his hard work in finding us a new place to play, and Matt Herndon for putting on another fun autocross.

The club treasury also had the normal costs of the War Whoop mailing to national officers, and the members who prefer to receive a paper copy. In the

end, the treasury is up to a little over \$6,500 but we will be making a donation to Sunbeam Family services fairly soon. The board of directors decides the amount of the donation. With the money from PCA national and the income from the event, we raised

about \$814. We plan to give all of that to the charity and will likely add in some club money to make it a nice round number.

Roster Report

We currently have 204 primary members in our region. This is the first time that I can remember that we have ever had over 200 primary members. It seemed for many years we were stuck at around 180-185 and rarely got over 190. Now we are holding steady at over 200! Our total membership including affiliate members is now 310.

We will be working on the calendar of events for 2018 at the next board meeting so if any of you have any ideas on some events you would like to attend, please let someone know or better yet, attend the board meeting.

Here are the new members for this issue: Thanapol Buranasombati has

Brian Miller - Membership Chairman

joined the club in a 2013 Boxster and Barry Doyle has joined in a 2018 Boxster. Thomas Baste is in the club with a 2008 911 and Jorge Carmona has joined in a 2017 911. Our newest members is Blake Garland in a 2014 Cayman S and Matt Goad has joined in a 2007 911. I would like to welcome all of them to the War Bonnet Region of the Porsche Club!

Board Meeting Minutes

The September 13, 2017 War Bonnet Region board meeting was called to order by Eric Costello at 7:10pm.

In attendance was Steve Hintze, Eric Costello, Janie Tigert, John Leaton, Matt Herndon, Brian Miller, Chad Goodman, Floyd Carter and Randal Goodman.

Eric spoke about the upcoming charity car show in conjunction with the Mercedes club, the Hooters car show and the previous weekends autocross.

Chad then talked specifically about the likes and improvements that could be made at the next autocross event. Everybody was in agreement that the Edmond Fire Training facility was very nice and liked having bathrooms and a covered pavilion. Matt will check with the Edmond Fire Department to see if an officer is required for future events. It was decided that the autocross would now be open to non-PCA members with PCA members selected first and a limit set at 40 cars. The Board also decided to not have an autocross event for the months of December, January and February.

The next topic discussed was the charity car show. The show is September 30th at the Boathouse District with cars arriving at 8:30am.

Randal Goodman - Secretary

The Board then lined out the remaining calendar events for the year. Listed are just a few of the many great events going on the rest of the year.

11/4/17 Coffee and cars

11/8/17 Board meeting

11/9/17 Porsche Palooza

A weekend drive will be lead by Mark Butrell on November 11th and 12th to Arkansas.

Next on the agenda was a discussion of Board elections and sending an email blast to all members of the War Bonnet Region asking for nominations to be on the ballot. The voting will take place before the Christmas party so the winners can be announced at that time.

The last item on the agenda was a PCA webinar on social media and how the War Bonnet Region is right in line with the policies of the National club.

The meeting was closed at 8:50pm.
