Editor's Notes

Brian Miller - War Whoop Editor

This issue is the same size as the last issue. We have the usual War Bonnet Gourmet column and we also have another member spotlight article. The calendar of events is complete for the rest of the year and at the next board meeting, we will be working on some events for next year.

Each year we have three board members roll off the board. This year it is Rick Cacini, Eric Costello and Bob Wilson. Since a board member cannot serve more than two consecutive terms, Eric Costello is not eligible to run this year. Rick and Bob are able to run again if they wish and we will need to have a couple more names to add to the list. If you are interested in becoming a board member, let Brian Swope know and he

will be sure to add you to the ballot.

This has certainly been a tough year and hopefully all of you have remained safe. It is also very hard to make a calendar of events when we really don't know what is going to be open or even if a place would be able to accommodate a large gathering. Hopefully next year will be better. Hope to see all of you at an event soon.

The following is the September mid-month membership update. First and foremost, I hope everyone is safe and healthy.

While these are difficult times for many of us, I wanted to share some positive membership stats:

August ended with 87,280 total primary members, up 418 from July end of month. Membership growth continues. This shows people are looking for something positive in their lives despite these challenging times ... and PCA delivers! Here's some notes:

- Primary membership now exceeded 2020 starting point. Back to positive growth for 2020.
- Membership drops were lower than last August (1,514)
- New member joins exceeded prior August (1,092)
- Late renewals remain strong (840)
- New record for Test Drive (905)

- August averaged 35.22 new members per day (34.96 new members per day in August 2019)
- Member referrals remain strong in August (325)
- 430 new members from marketing efforts in August

Here are the national membership numbers as of today:

- 88,139 primary members
- 48,106 co-members
- 136,245 total members
- 973 Test Drive subscribers
- 4,076 PCA Juniors

Dear Sponsor:

Thank you so much for your generous donation to the 37th Annual Guthrie Road Celebration!

We hope you will be able to make it out to Mineral Wells Park in Guthrie on September 12th, from 8-5, to see all the cars and great people. It is possible that the rain will require a postponement. If so, the new date will be Sunday September 13th.

Gosdie Bags will be given to registrants while supplies last and will include a list of our great sponsors along with the wonderful items donated.

Prize items donated will be awarded by raffle ticket drawing every half hour, with the Grand Prize, Registration Prize, and 50/50 pot being awarded at the end of the day. Each prize donated will have the name of the sponsor attached and the sponsor will be thanked over loudspeaker.

Trophy sponsors have the opportunity to present their trophy to the winner and their name will be announced when the trophy is awarded. In addition, the sponsor name will be printed on each trophy plaque.

T-Shirt sponsors will be announced throughout the day over loudspeaker and will be given 2 t-shirts, featuring sponsor logos on the back.

All sponsors will be mentioned on Facebook, Instagram, and Twitter.

It is sponsors like you that allow us the opportunity to present this fun community event.

Please call or email us with any comments, suggestions, or concerns.

Thank you again, and we look forward to your continued support.

Sincerely,

The Body Worx Team

The War Bonnet Gourmet

Tomato Hamburger Veggie Soup

Ingredients

- 1 lb lean ground beef
- 1 small onion, finely diced
- 2 cloves garlic, minced or pressed
- 1 teaspoon salt
- 2 cups peeled and chopped potatoes (I always use Yukon Gold)
- 2 cans (14.5 oz each) beef broth
- 1 can (10 oz) condensed tomato soup
- 1 can (15 oz) petite diced tomatoes, undrained
- 1 bag (16 oz) frozen mixed vegetables
- 1 teaspoon Worcestershire sauce
- 1 teaspoon dried parsley
- 1/2 teaspoon dried basil
- salt & pepper, to taste

Instructions

1. In a soup pot, over medium-high heat, brown the ground beef, onion, garlic, and salt until no longer pink. Break up meat in crumbles as it cooks. Drain and return to the soup pot.
2. Add chopped potatoes, beef broth, tomato soup, diced tomatoes, frozen vegetables, Worcestershire sauce, and the seasonings. Stir to combine. Bring to a boil. Once boiling, cover with a lid and reduce heat to medium-low. Let simmer for at least 30 minutes for the flavors to combine and the soup to become thicker.

We are excited to announce our collaboration with Clubregistration.net !!

Utilizing this service for our events that require waiver such as autocross, club drives, or social dinners captures your e-signature and makes sure all waivers are signed and stored in our system with minimal to no hand to hand contact at event check in. This also gives us a head count for events that need seating or food accommodations.

We will provide direct links on our website and mailers so that you can go straight to the event you want to register for so that you do not have to search the site for your event.

To sign the required waivers, you must enable the e-signature function. Once enabled the waivers for your events will appear in your dashboard for you to sign.

Scott's Porsche Story

My 2018 911 GTS

Where to Begin

I've had a love for cars for as long as I can remember. I vaguely remember getting a 1/18 scale model of a classic Ferrari as a kid from my grandpa and I was pretty much hooked. My main poster on the wall growing up (I had quite a few of the 80's classics!) was of a Porsche 959. It wasn't just the look that captivated me, it was the science and engineering in that car that blew me away. Funny thing now is that I'm a Middle School Science teacher who uses that science and engineering in my classroom. I've got an incredible wife who has allowed me to indulge in my love of cars. She's got me those perfect car guy birthday gifts where you get to drive Ferrari's, Lamborghini's, Porsche's, etc around the track and that's when I knew that some day I had to own one of these incredible machines. I've got three kids, a 20 year old son, a daughter who just started at OKU, and a younger son who is approaching 11. They know dad is car crazy and have just learned to deal with it LOL.

The Road to my 911 GTS

I knew that if I was going to get my dream car, it had to be the perfect fit. It had to be a true sports car and it also had to be my daily driver. Sure I'd love to be a millionaire with a garage full of everything under that sun, but that is not my reality. After months of reading and watching more Youtube videos than I'd like to mention, I landed on wanting to get a 911 GTS. For me, it was the perfect blend of incredible performance but still very usable as a daily driver (my youngest fits great in the back seat!). Finally the stars all aligned and I found the perfect car with the specs I wanted at a price I couldn't ignore.

It so happened that my dream car was not here in OK but in Florida. I began the discussions with the dealership and before I knew it my dream was coming true and I was on an airplane flying out to go pick up my 911 GTS. The fun and somewhat crazy part is that instead of having the car shipped back here, I drove it the 1450 miles from the dealership to my house. I set a personal best of driving 1025 miles in a day! I guess if you're going to spend over 14 hours in car, this is the one to do it in. I'm not gonna lie, I absolutely love this car! The looks, the sounds, the feeling of acceleration, the handling, just knowing it's a 911, all of it, it's just been amazing. I've also ran into many other Porsche owners these past few months and it's like being thrown into an incredible family of Porsche enthusiasts.

I don't know how my Porsche future will go, but I'd love to put 200,000 miles on this car and have more fun memories in it than I could count. How great is it when you just are looking for excuses to go for a drive. I'm truly thankful to own such an incredible machine and I can't wait to meet more of the amazing people who love their Porsche as much as I love mine!
