

Health Screening Stations

As part of the effort to minimize the spread of COVID-19 at the Portsmouth Site, beginning Monday, April 13, 2020 all DUF6 essential staffing and those who have been granted access through Plant Managers approval **SHALL** go through a health screening at one of the below locations before entering the DUF6 project. This includes X-1100 and office trailers.

Personnel will be asked a series of questions about recent activities and health status in accordance with CDC guidance and have their temperatures checked prior to entry into the workplace.

Health screening will be conducted at the Main Drive Gate and B-Pedestrian Portal (near the X-1000) seven days a week during the following times:

- 0600 hrs - 0800 hrs
- 1800 hrs - 1900 hrs

Monday through Thursday at the X-152A Medical Facility:

- 0800 hrs - 1630 hrs

At all other times:

- Contact the PSS prior to entry at (740) 897-3025 for screening

Remember to practice social distancing when visiting one of these locations, to the extent possible.

Below are directions to the Health Screening Locations when accessing the site from U.S. 23.
