10. NEW BUSINESS

- Dr. Jim Lambert requesting RCTOA to obtain advisory committee approval for a simple program modification the college would like to implement. We are making EMS 50 & 51 (EMT) a requirement for the degree instead of an elective. This will accomplish the following:
 - Streamline the degree pathway
 - Align with Fire Academy prerequisites
 - Eliminate confusion in our course catalog
 - A simple email response with this approval will allow them to proceed
