Notes for Core Skill 1 & 2:

- The prerequisite for Core Skills is EFT Externship
- Prepare a 30-minute session recording (preferably video, audio accepted if necessary)
- Registration opens in January 2024.
- More information, including early bird fees and additional details, will be available soon on our website by mid-Dec 2023.

Feedback for our previous participants:

- *The trainer was very knowledgeable and engaging.*
- *EFT really resonates with me regarding the style, the theory, the compassionate way of holding clients. I love the attachment focus and emotions.*
- *Its a great training and such an awesome trainer. The facilitators in the small group practice were also so gentle and validating and helpful!*
- *A big thank you for a wonderful workshop! It was a clear and comprehensive teaching of EFT, packed with practical examples and wisdom that can be readily applied*
- *Engaging presentation and interaction.*
