

Help Us Bring Music to More Kids!

We invite Oswego County music schools to join our mission of making music lessons accessible for all children. Partnering with us helps young students explore their musical talents and develop a love for music.

How It Works

Step 1: Music School Registration

Complete the School Registration one time online to join a community dedicated to making music accessible.

It's as easy as 1-2-3!

Remember, if you receive music lessons:

- Snap a pic with your teacher for a keepsake and send it to OMHOF.
- Show your gratitude with a personalized thank-you note to the board.

Plus, you'll have the coolest opportunity to perform in a free concert for your loved ones!

Can't wait to team up with you!
