# Tasting Notes

## **Skinny Winner Light Lager 3.8% ABV**

Crisp, smooth, light, and oh so refreshing! Low calorie and low ABV is just what the season asked for. Aroma and flavor made with all Virginia grains and U.S. yeast, this pilsner is truly local Americana.

## **Margarita Melt Gose 5.2% ABV**

Refreshingly tart with subtle spiciness from coriander and a hint of saltiness. If a margarita and a beer had a baby, this would be it!

## **Luchador Amber Lager 5.6% ABV**

Smooth, medium-bodied amber lager with a caramel sweetness, toasted malt, and hints of nutty and lime citrus, balanced by low hop bitterness and a clean finish. Great for those who like sweeter lagers over bitter ones.

## **Golden Twins Hazy IPA 7.3% ABV**

Bursting with tropical and citrus from the combination of Citra, Simcoe, and Amarillo hops. Soft and velvety. Subtle floral and pine undertones with a hint of sweet maltiness.

## **Can't Get Enough Cinnamon Cereal Blonde Stout 5.5% ABV**

Like breakfast in a glass – cinnamon sugar, toasted cereal, and a splash of creamy lactose sweetness and coffee. Smooth, crushable, and lightly sweet, finishing with cozy cinnamon-toast and coffee roast vibes that keep you coming back.

## **47 Falcon Porter 6.2% ABV**

Cabernet meets Porter! Dry and malty with prominent notes of dark cocoa, cherries, dried plums, and coffee. Subtle chocolate and roasted malt. Faint floral and earthy hops with a touch of dark dried fruit.
