

BUSTER'S Southern Pit

Everyone is Responsible

As a provider of farm fresh Meats, we at Busters Southern Pit BBQ® promote the humane treatment of all animals.

It should come as no surprise that Buster's Southern Pit BBQ® supports local pet welfare causes.

**Our namesake "Buster" is a Pitbull rescue pup.
Our current furry family? All 4 are rescue animals bringing exposure to the important need for humane no-kill pet facilities.**

Do you have a cause that supports Pet Welfare? Submit a Community Request and get in touch with one of our Restaurant Managers!
