PUBLIC NOTICE ILLINOIS

This website is a public service made possible by the newspapers of Illinois at no additional cost to taxpayers. PublicNoticeIllinois.com (PNI) was first launched in August 2008 as a central repository for all public notices in Illinois. It was redesigned and relaunched in 2011 with updated functionality and search capabilities. Per a state law that passed unanimously in 2011, the purpose of this website is to make available to the public every notice that appears in an Illinois newspaper.

PLEASE NOTE:

Every state in our nation, including Illinois, has laws that regulate the manner in which public notices are published. These laws are designed to ensure that people within a community receive important information about the actions of their government. Local newspapers remain the preferred venue to distribute public notices. This website is funded and maintained by Illinois newspapers, the trusted source for all community news and information.

For more information about public notices, please visit:
