Tom Del Beccaro - Politics in Perspective

Tom is a bestselling author, speaker, columnist/TV Commentator, Attorney, Historian, Businessman, and former Chairman of the California Republican Party.

He is the publisher of PoliticalVanguard.com and the author the Amazon best seller, *The Divided Era*, which explains why “*the more government decides, the more it divides*”. Tom’s latest book published in 2024, the *Lessons of the American Civilization*, focuses on America’s past, too often missing from American classrooms and political discussions today.

Tom has made hundreds of appearances on BBC, Fox News, Fox Business News, Newsmax and currently is a regular political commentator on KUSI in San Diego and KRON in San Francisco. His opinion pieces have appeared in places like Politico, USA Today, Foxnews.com, Fox Business, Newsmax, Epoch Times, Forbes, The Orange County Register, The San Francisco Chronicle, The Washington Times, The Daily Mail, and Breitbart.com.

Tom is best known for his insightful commentary and public speaking on topics ranging from foreign policy to economic reform. He will also share his experience as an attendee of the upcoming Presidential Inauguration on January 20, 2025.
