

The Guidelines...

It is certainly not our wish for anyone to be uncomfortable, but it is necessary for all of us to follow the following guidelines.

1. The doors to our church won't be opened until 10:45am each Sunday.
2. We may only enter the church one person at a time, or in groups only if those persons all live in the same home.
3. **Masks must be worn by everyone at all times while in the church. This is mandatory.**
4. People who live in the same home can sit together, otherwise strict six foot distancing must be observed. Certain pews will be closed. This will be indicated by red ribbons.
5. No handshakes, no hugs, and no clustering in groups to talk. This seems unfriendly and harsh, but it is necessary.
6. We must not sing aloud. This includes the Doxology and Gloria Patri.

7. Sunday School is suspended for the time being. An online “Sunday School” is coming soon.
8. Children's sermons are suspended for the time being.
9. We will not be “passing the plate”. Offerings and tithes may be placed in the basket in the narthex.
10. At the end of the service we will not be able to linger inside the church. We will need to exit one by one while maintaining proper distance.
11. Hand sanitizer is available in the narthex for when you arrive and/or exit.
