Michael Bennison

Dear Members,

First, I want to wish every member and their families a very happy and prosperous New Year.

Years back, when I was Loyal Knight, I wrote an article in the Six Bells about the different reasons why we joined our wonderful Lodge. Some joined for the tennis, others for the pool. Some became members to use the gym, and some for the social aspect of the restaurant and bar. Whatever the reason, support for our charities is the one thing we all have in common; our Veterans, Youth, Scholarships, etc. If you see something you'd like to be involved with, let the membership office know and they can guide you to who's in charge of that committee.

We are now through three-quarters of the Elks fiscal year and it's time to get ready for the 2022-2023 year. February 7th will be the first nomination of officers; Exalted Ruler, Lecturing, Loyal and Leading Knights chairs, Secretary, Treasurer and for the five-year Trustee. Please come to the meeting and observe the Past Exalted Rulers go through the nominating process.

Fraternally,

Mike Bennison

Dear Members,

I hope that all who did come to the Holiday Dance had a very good time. It was a good turn out and the music and dinner were very good.

I'm hoping the same for our New Year's Dance. The band will be great and also our dinner. I am looking forward to seeing you all there.

On Saturday, February 12th we will have our "Purple Ball" dinner-dance. This event is in support of Major Project, also known as the "Purple Pig," and this charity is very important to us all.

So far we are doing very well and it's because of all of you members who are turning in your piggy banks. We want to be number one in the District so please keep up the good work.

I almost forgot, I want wish our great members a very Merry Christmas and a Happy New Year.

Remember the Major Project motto: a coin a day so that children can walk, talk, see and play.

Dear Members,

Well it is 2022! Happy New Year everyone!

I have been sitting here reflecting on the past year and I am wondering on how I made a positive difference in my life as well as others. I came to the conclusion that the Elks helped me make positive ones. Last year we collected toys for needy children, donated to our community, honored our Veterans, Mothers, Fathers, Elderly and remembered our Absent Members, all this while having fun at dances, concerts and pool parties.

It was great that we had fun at these events but, we must remember that these events helped raise monies to fund all the good works we do. Your contributions, as well as your volunteering are what make our good works possible. Without your dedication and contributions we are just a fancy bar. Thank you to all the volunteers and members for supporting what the Elks do. The next time someone asks you what can I do as one person, you can say, "get involved" and remember the lyrics of John Denver's song, "What One Man Can Do."

"What One Man Can Do"

*What one man can do is dream, what one man can do is love.
What one man can do is change the world and make it young again,
here you see what one man can do.*

*What one man can do is dream, what one man can do is love.
What one man can do is change the world and make it work again,
here you see what one man can do.*

Dear Members,

New Year, New Goals

While many people make New Year's resolutions, I prefer to set my yearly goals and choose a Word of the Year.

Resolutions are awesome for motivation, but more than 90% of resolutions are broken by the end of January. It is not that people don't want to keep their resolutions. It is most likely that life gets in the way and the resolve is lost either when competing desires come in to play or the steps to keep the resolution conflict with patterned habit responses of previously learned behaviors.

To make lasting changes, you need to "Define your Dream and get a burning desire for the attainment of your goal" according to Napoleon Hill. Consider doing a S.W.O.T. analysis so you know where you stand. With regards to the steps to reach your goal, list your Strengths, Weaknesses, Opportunities and Threats. Then you can plan work around for those items.

In choosing a Word of the Year, I always look at something in the previous year that I would have liked to have gone differently and choose the opposite emotion that I would prefer to feel. If I felt stressed last year, I would choose Calm for the new year. If I felt sadness in the past year, I choose JOY in the new year. Then I look in the new year of the many ways I can create circumstances that get me closer to that joy. If I felt lonely, maybe I could focus on Brother Love by spending more time with my fellow members at the Lodge!

Happy New Year!

Next Luncheon Meeting

Date: January 12, 2022

Place: Pacific Antler Room (main dining room)

Time: Lunch served at 11:30 a.m.

Menu: Honey Baked Ham or White Fish with white lemon garlic sauce, both served with roasted potatoes and vegetables, rolls and butter, dessert and a beverage.

Price: \$25.00 (includes tax and tip)

ENTERTAINMENT: Bob Houle ("Bob the Entertainer")

I can't believe that I'm writing "2022" for our next meeting! Where has the time gone!?

We ended 2021 with a great meeting attended by 60 guests; great food (especially the salmon), fine service by the Elks staff, our usual great and joyful camaraderie, and our December Gift Raffle. Almost every person attending "won" a gift in the raffle and next year we, the Officers, will make sure that every person receives one, as we are going to change the ticket procedure.

I would like to thank everyone who brought a gift for the raffle (we had some really great ones!), those who brought more than one, and the "lucky ones" that gave up their second picks so that someone else could walk home with a gift, thus exemplifying the Elks virtue of "brotherly love."

Wishing you all a safe, happy and healthy New Year!

See you all on the 12th.

Elks Ladies Auxiliary

The Christmas Luncheon of the Elks Ladies Auxiliary was a complete success with 20 members attending. The gift exchange was an added fun event. The Lodge had several activities booked so the Auxiliary had their lunch in the downstairs Marine Room. Choco Johnson and Patti Folsom-Medina were the Hostesses and the set-up was perfect. Our thank you to General Manager. Bernard Vargas and Event Coordinator Alexis, for their help this year in arranging for our monthly luncheons. We hope that everyone had a Blessed Christmas and will have a Happy and Better New Year.

Thought for the Day

"Caring for others, reveals the best version of ourselves." ~ Anonymous

For those of you who are new to the Lodge, the Elks Ladies Auxiliary are women who are either spouses of members, widows or members of the San Pedro Elks Lodge No. 966 and they have luncheon meetings usually on the third Saturday of the month. Many of these ladies are former Emblem Club members. This group has no membership dues; however they do donate \$5 per month (optional) to a fund to be given to the San Pedro Elks Lodge at the beginning of the "Elks" year (April). They also donate \$5 each towards the purchase of cookies which they bag up in individual servings for the Veterans Hospital visitations. Their main purpose of being is to be helpful to our Elks Lodge whenever needed. If you would like to join us, or have any questions regarding our group, please do not hesitate to contact me at 310-326-4932 (please leave a message after the beep).

Fraternally yours,

Carol Muro

The GYM is now open during daily Lodge hours.

As a reminder, spouses/widows are required to pay \$150 for use of the Lodge Gym.

A special stamp is required for their Identification Card to enter the Gym and is to be shown when signing in at the Lodge.

This stamp can be received from the Membership Office during business hours.

Pull Tabs from Aluminum Cans

Did you know that each pull-tab from an aluminum can helps subsidize the costs of families staying at Ronald McDonald House?

The San Pedro Elks Lodge is proudly collecting pull-tabs and delivering them to the Ronald McDonald House at the Miller's Children's Hospital in Long Beach. This is an on-going collection, so there is no deadline.

Please start collecting pull-tabs (fill up a zip-lock sandwich bag – or larger). By the way, you do not have to be a member of the Elks Lodge to participate in this collection of pull-tabs.

Thanks in advance for your assistance with this most worthy charity project!

A Message from the Tennis Committee . . .

Pickleball

The Lodge is in the process of converting one tennis court into Pickleball courts. To make this happen we will need to pass a resolution to add the verbiage: "all racquet sports" to the House Committee Rules for our existing tennis courts. We will be voting to make this change at the February 21, 2022 Regular membership meeting. We ask you to please plan to attend and be a part of this important discussion.

Faternally,

John DeLuca

Tennis Committee Member

From the Public Relations Committee . . .

Thanks go out to those who have contributed over the past year. I want to thank our Lodge Photographer Christi Nichols, Sergio Espinoza, Patti Folsom-Medina, and all those who took pictures and sent them in. I also would like to thank those who sent articles to us this year Paul Miloe, the Ruff-Neks, Mallory Hartt, the Elks Ladies Auxiliary, and our Esquire John DiMond. Thank you all and my apologies if I left anyone off the list. I want to encourage all to contribute. Thanks again and HAPPY 2022!!!

Remember your photos should show full faces of the people captured in the photo(s) taken at our events. And most importantly, these photos **must 1600 pixels** and include the people we serve at charity events. Photos of only Elks members will **not** be used in the CHEA or NATIONAL publications and, the National Magazine will not print pictures with more than 10 people. *However, pictures of members only at charity works are welcome and encouraged for our monthly Six Bells Bulletin.* Please be sure to list the names (and titles) of those in the photo(s) listing them 'from left to right.'

Ad Subscriptions

Six Bells Ad subscriptions run on the same calendar as membership dues, April 1st through March 31st.

There is no time like the present begin a new Ad subscription or to renew your current Ad subscription.

Did you know that you may place an ad even if it is only your personal business card? That's right! It's like being a "Booster" of the San Pedro Elks Lodge.

Please call our office at: 310-831-0624, or stop by during regular business hours, to begin advertising here. We look forward to seeing your ads in our monthly publication and help you to generate more customers.

It's a win-win proposition!
