To each of you recovering this information. Remember the days of our lives will change, but the pleasant memories and experiences of the past lives on, they are the "Foundations" from which we learn and build upon for better days and better tomorrows.

In your journey in life be thy a "Rain-Bow" in the storms of life a "Evening Beam" that smiles the darkest clouds away. A bit of history given to me by George Slater, before he became a starter for the 'Lord". My pleasant experiences with Red Wing Seniors and the Tuesday Group that I was involved will live with me forever, It has shaped my life for the betterment in many ways. May God Bless each of you , in your journey in life!
