

SUMMER HOME MAINTENANCE

Checklist

- ☐ Test smoke and carbon monoxide detectors
- ☐ Perform routine washing machine maintenance
- ☐ Seal grout in bathrooms, kitchens, and tiled areas
- ☐ Oil the garage door opener, chain, and all door hinges
- ☐ Prune trees and shrubs
- ☐ Check the basement for leaks or moisture
- ☐ Remove lint and debris from washer hoses and dryer vents
- ☐ Reverse ceiling fans (clockwise in winter, counterclockwise in summer)
- ☐ Wash windows and replace any damaged window screens
- ☐ Check the dishwasher for leaks
- ☐ Clean the kitchen exhaust fan filter
- ☐ Clean refrigerator and freezer coils; empty and clean drip trays
- ☐ Secure outdoor furniture against strong winds or storms
- ☐ Eliminate standing water to prevent bug breeding grounds
- ☐ Replace interior and exterior faucet and showerhead washers if needed
- ☐ Prep your grill for backyard BBQs
