Game Schedule

Our 2018 game schedule will be out soon. Most games will be on Sunday mornings / late afternoons. The game schedule will be posted as soon as it is available from the SPFL.

Equipment Guidance

- **Helmets** – all players provide their own helmet (white). White, grey, black, or purple facemasks work with our uniforms.
- **Practice jersey** – practice jerseys will be available for purchase (at cost) at the late July camp events and during the first week at practice.
- **Practice pants** – we recommend a 5-piece girdle set rather than the clip-in sets. The girdle works with our game pants. Players are required to wear knee pads in addition to the girdle. Any color is fine.
- **Game jerseys and game pants** – we will provide both a game jersey and a pair of black game pants with a belt. These will be distributed during August and are returned at season end.
- **Shoulder pads** – we will provide shoulder pads (see July 15 calendar date above). These will be returned at season end.
