Mr. Rego.

I would like to take this opportunity to provide you with some feedback. We have been working with Rego Salvage for a number of years now and it always amazes me how resourceful, honest, hardworking and effective your team is. When we are in a crunch to get something done your team is ready to make it happen. When there is the odd task to be done your team is always up to the challenge. Please keep up the great work and looking forward!

Yours truly,
