

BOOK BINGO

****EXAMPLE!****

Once your shared-reading book has been selected, fill in the blank grid with things your child might spot throughout the story.

Dependent on your child's age / level and the book you are reading, you may want to include pictures, objects, colours, emotions, or language elements in the grid. Below are some examples covering all levels...

BOOK BINGO!			
A word beginning with 'a'	An animal	The word 'sat'	
 Something Red	The diagraph 'sh'	A bucket	A blue hat
Two words which rhyme	A word that is repeated		A moment where someone is sad
Somebody being kind		A word with the long 'i' sound (like 'smile')	A happy moment
