

Hi! My name is Liza Claar, and I am 14 years old. I have lived in Fairbanks Alaska and been homeschooled my whole life. I love to go camping and currently have five dogs. I learned to make tokens on a field trip in 2021, and then continued to be taught from Dick Hanscome of Minør mint.

I later started Tundra Tokens, and have since been making tokens to sell at events, such as the 100<sup>th</sup> anniversary of the Alaska Railroad, and the Grand Opening of Alaska Goldworks.
