TRAILER PICKUP SAFETY AGREEMENT

By signing this agreement, you acknowledge and agree to comply with all safety protocols while on the property for trailer pickup.

Property Guidelines & Site Rules

- Site Entry: All drivers and vehicles must enter through the designated Business Entrance.
- Speed Limit: Maintain a maximum speed of 5 MPH while driving on the property.
- Designated Areas: Remain only in designated staging, loading, or pickup areas. Walking through operational zones, shop spaces, or restricted grounds is prohibited.
- Personal Protective Equipment (PPE): High-visibility vests and sturdy, close-toed footwear are required during hitching and inspection.
- Children & Pets: Children and pets must remain inside your vehicle at all times.

Vehicle & Towing Requirements

- Towing Capacity: You confirm that your tow vehicle meets or exceeds the minimum Gross Vehicle Weight Rating (GVWR) required for the trailer.
- Hitch & Coupler Inspection: You are responsible for ensuring your hitch ball size matches the trailer coupler, the locking latch is fully engaged, and the safety pin or lock is secured.
- Safety Chains: Cross safety chains underneath the trailer tongue and securely attach them to the tow vehicle frame.
- Electrical & Braking Systems: All electrical connections (lights, turn signals, brake lights, and electric brake controllers, if applicable) must be plugged in and fully operational before leaving the premises.
- Tire & Load Inspection: Inspect tires, wheel lug nuts, and secured loads prior to departure.

Liability & Assumption of Risk

- Final Responsibility: While site staff may offer guidance, you assume full responsibility for correctly hitching, securing, and operating the trailer.
- Damage & Injury Waiver: Property owners and management are not liable for property damage, personal injury, or accidents resulting from improper loading, hitching, or driver negligence once the trailer leaves the pickup area.
