**But all you do**

**Tired of hearing your voice**

**And drinking your solution**

**What we need**

**Is mental evolution**

Mental evolution  
Change our mind  
Create a new world  
Evolve a new time

Tired of hearing your voice  
And drinking your solution  
What we need  
Is mental evolution

Change  
People think about  
Change  
People talk about  
Change  
People hope for  
Change

Pain  
There's so much  
Pain  
They don't give a  
Dang  
Guess that's our  
Way

You say you see  
Say you hear

Act like you know  
Pretend that you care

Tired of seeing your voice  
And smelling your pollution  
What we need  
Is mental evolution

Mental evolution  
Change our mind  
But is it too late?  
Are we out of time?

Tired of seeing your voice  
And smelling your pollution  
What we need  
Is mental evolution

But you never want to go  
Because you love the status quo

You never want to go  
You love the status quo

You never want to go  
You love the status quo

You never want to go  
You love the status quo
