This form documents your understanding of our business practices. Georgia Diesel Garage, L.L.C. must receive the Customer's agreement to these terms and conditions before we will begin work on any vehicle. By accepting the estimate via signature or electronic signature and providing Georgia Diesel Garage, L.L.C. with a deposit, the Customer is authorizing Georgia Diesel Garage, L.L.C. to conduct repairs on the vehicle and agrees to do business with Georgia Diesel Garage, L.L.C. In connection with the repairs to be conducted, the Customer specifically agrees to the following Terms and Conditions:

Operating Procedures

1. The Customer authorizes Georgia Diesel Garage, L.L.C. to test drive and move the vehicle as necessary provided that the vehicle's registration and insurance are valid and current.
2. Georgia Diesel Garage, L.L.C. may take pictures and/or video of the exterior and/or interior of the vehicle in relation to any repairs/service.
3. To ensure the safety of our customers and technicians, customers are NOT permitted unescorted on Georgia Diesel Garage, L.L.C. grounds. Please call to schedule an appointment or to retrieve belongings out of the vehicle.
4. Georgia Diesel Garage, L.L.C. is not responsible for any damaged, missing, or stolen property that is left unattended or in an unlocked vehicle.
5. Georgia Diesel Garage, L.L.C. does NOT make promises regarding completion dates. Jobs are scheduled in the order they come in. If a job is waiting on the customer's approval, the arrival of parts, or other in-progress work, the job will be scheduled as per the next available opportunity.
6. As we work on customer vehicles, a call may go to voicemail, please understand we will return your call as quickly as possible. Please expect an email reply within 2 business days of receipt.

Labor Rates

Inspection for pre purchase vehicle: \$150 flat charge
Diagnostic and computer hookup fee: \$125 flat charge (each time)
Electrical Troubleshooting: \$175/hr minimum 3 hrs
PM Service Rate: \$125/hr

Payments

7. ALL diagnostic fees must be paid upfront before Georgia Diesel Garage, L.L.C. will connect the computer to the vehicle for diagnosis.
8. ALL parts must be paid for up front before the job starts.
9. Georgia Diesel Garage, L.L.C. can ask for any additional payments if it is needed and the customer MUST pay. A late fee of **\$25.00** per day WILL be applied if the payment has not been received within two (2) calendar days of request by Georgia Diesel Garage, L.L.C.
10. **A 4% Credit / Debit Card Processing fee will be applied to any invoice that is paid with CARD. To avoid this fee, cash is accepted. We do not accept PERSONAL CHECKS.**

Sales

11. ALL Deposits, Diagnostic Fees, Shop Supplies, Machine Shop Fees, Shipping fees are NON-REFUNDABLE.
12. All Battery sales, electronics, ECM Sales, Programmers, Tuner sales are FINAL.
13. All troubleshooting Labor Must be paid for before any other work is completed.
14. All parts that we purchase are subject to a **50%** upcharge.
15. All labor is tracked with Shop Monkey's time and location tracking software. The labor is an *estimate*. If the job exceeds the estimated time, Customers will be charged the *actual* time it took Georgia Diesel Garage, L.L.C to complete the repair. In no event will labor be less than the minimum quoted time.
16. If Georgia Diesel Garage L.L.C. must travel off-site to purchase additional parts for an existing job or deliver/retrieve parts for a customer vehicle to any location e.g., the Machine Shop, the customer will be charged for this time.

Other

17. Customers' vehicles will **NOT** be released until the bill is paid in full.
Additional storage fees will be accrued if the vehicle remains on-site after discharge.
ALL vehicles on the property within 5 calendar days of completion, decline of service or lack of communication from the customer after multiple attempts, will be charged a **\$50.00** per calendar day Storage fee for one week. After that one week the storage fee will increase to **\$75.00** per calendar day and will also be charged a late payment fee of **\$25.00** per calendar day on top of the storage fee. After four weeks, Georgia Diesel Garage LLC will file an abandoned vehicle report as well as a mechanic lien on the vehicle.
18. A diagnosis is simply a diagnosis. Georgia Diesel Garage L.L.C. is not responsible for any misdiagnosed issues with the vehicle or failure of the diagnostic equipment.
19. Georgia Diesel Garage L.L.C. is not responsible for an unexpected outcome if a customer withholds information on a vehicle or its history resulting in additional costs or delays in completion.
20. All repairs are performed in accordance with vehicle manufacturer standards and specifications.
21. Georgia Diesel Garage L.L.C. is not responsible for and cannot guarantee the reliability or re-use of any parts that may break, strip, crack or become damaged in the removal or installation of a job.
22. Used parts will be scrapped or discarded as appropriate, unless said part is returned for a core.
23. Georgia Diesel Garage, L.L.C. is expressly authorized to terminate the repair process and relationship for unprofessional, assaultive, or other illegal behavior from the customer. Authorities may be notified if necessary. Any and all additional fees (e.g., attorney fees, court costs, tow, storage, and other damages) shall be the responsibility of the customer. Georgia Diesel Garage, L.L.C. is not responsible for customer behavior, or the additional fees incurred as a result of their actions.
24. All warranty information is located on our website: Georgiadieselgaragellc.com under the services tab.
