This form documents your understanding of our warranties. Georgia Diesel Garage, L.L.C. must receive the Customer's agreement to these terms and conditions before we will begin work on any vehicle. By accepting the estimate via signature or electronic signature and providing Georgia Diesel Garage, L.L.C with a deposit, the Customer is authorizing Georgia Diesel Garage, L.L.C. to conduct repairs on the vehicle and agrees to the following warranty Terms and Conditions:

## *Labor Warranty Overview*

Georgia Diesel Garage, L.L.C.'s Warranty will cover ONLY the labor for which we performed during the repairs which will be listed on the invoice sheet.

- The Parts Manufacturer(s) are responsible for supplying new parts if parts fail.
- If they do not supply parts, Georgia Diesel Garage, L.L.C. is NOT responsible for supplying parts.
- If the manufacturer warranty does not cover parts or Labor from the above statement #2, the Customer is responsible.
- Warranty is not transferable from owner to owner.
- Georgia Diesel Garage, L.L.C. has the right to revoke Warranty Coverage for due cause.
- Warranty repairs not performed at Georgia Diesel Garage LLC must have evidence of failure and proof of repair. Pictures before and after repair must be taken. (Fluid leaks, Broken components, loose hardware, etc...)
- Any failed parts must be returned to Georgia Diesel Garage LLC for inspection and for warranty replacement.
- All Receipts of repairs must be brought or emailed to Georgia Diesel Garage LLC.
- All issues and concerns must be brought up to Georgia Diesel Garage LLC.
- The invoice notes all of the technician's activities & work to ensure warranty compliance.
- The invoice will show labor warranty times, dates and miles
- Georgia Diesel Garage, L.L.C. is not responsible for parts failure nor are they responsible for supplying the parts to fix the issue.
- The parts manufacturer must replace the part, and cover labor repair costs.
- Georgia Diesel Garage, L.L.C. has the right to inspect any component suspected of failure.
- This warranty does NOT cover any cracked blocks, cracked housings, cracked heads. All manufacturers or customers of said parts are responsible

## *Warranty Times Overview*

- 6 months or 4,000-mile warranty for all labor
- 1 year or 8,000-mile warranty covers head gasket repairs
- 2 year or 16,000-mile warranty covers complete engine overhauls

*Warranty Void:*

- Improper preventative maintenance.
- Failure due to overheating.
