

Photography Sessions

Including portrait, maternity, and any size family sessions:

\$125 for 20-30 min session

\$225 for 50-60 min session

All sessions include rights to print and use pictures as desired

Senior Photos - based on the hourly rate, depending on what you and your senior desire (ie how many outfit changes, locations, props, etc will all increase the time needed for a great session!)

Newborn, documentary photography session in your home within the first 2 weeks is \$400 for up to 2 hours, as needed

Birth documentary photography session, on location during delivery starts at \$500 - contact me for more information
