Momentum Developments:
A trusted real estate developer for nearly two decades.

CHANGING THE HORIZON OF WATERLOO REGION.

For nearly two decades, Momentum has been building in the community, becoming an integral part of Kitchener-Waterloo's growth. When you look around, you'll see Momentum's contribution to the changing horizon and revitalization of Uptown Waterloo and Downtown Kitchener. With each project, Momentum's goal is to provide care-free condominium living to residents while building vibrant, flourishing communities.

A SMART BUILDING DESIGN IN A SUPERB LOCATION.

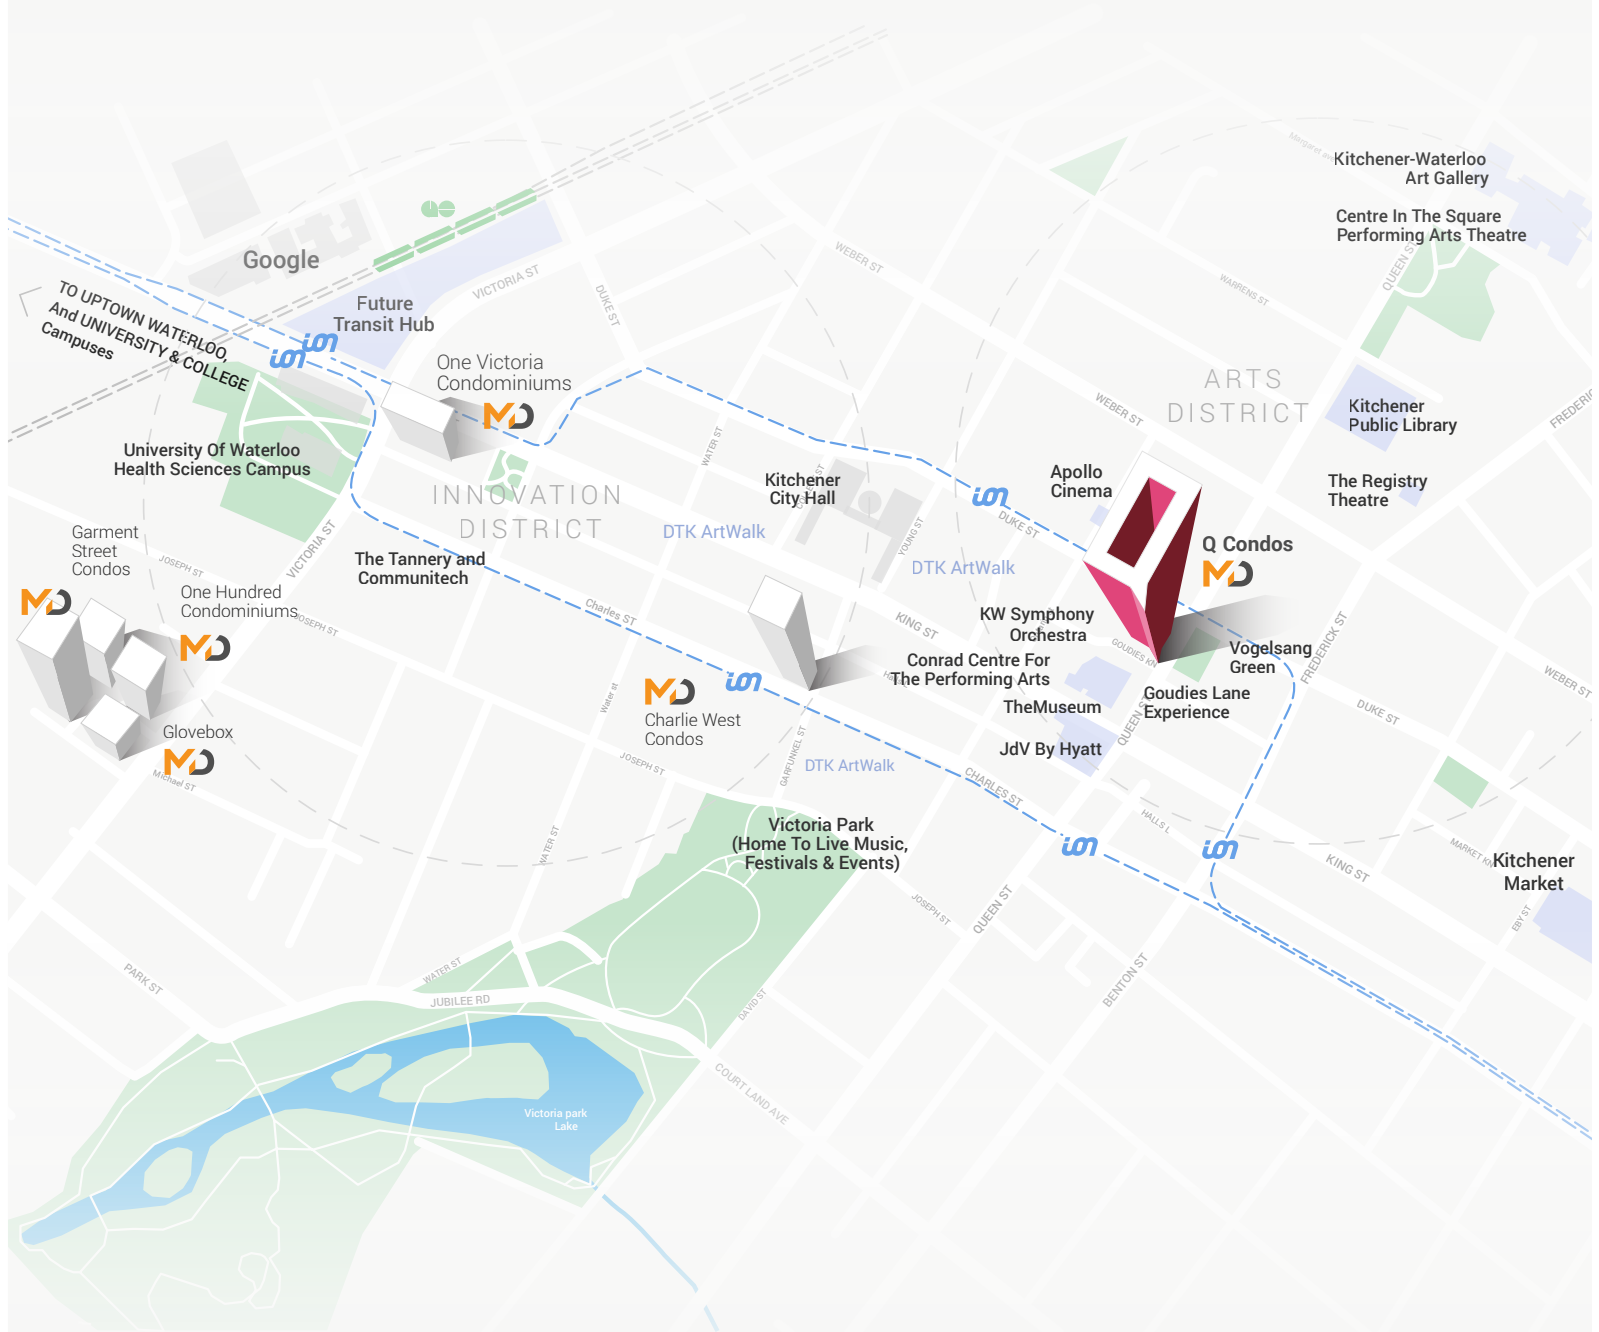

Introducing Q Condos

Q Condos will be the beacon of Kitchener's creative scene. Its slender design will rise 34 storeys above Queen Street's creative vibe. Overlooking Victoria Park, the location is steps to an ION transit stop and surrounded by tech jobs, restaurants, art galleries and theatres.

The architects of Q Condos designed a structure that uniquely blends history, art, and engineering. The original 1917 building at the corner of 20 Queen Street and Goudies Lane was inspired by the Beaux-Art architectural era. Q Condos' large window wall glazing, coloured concrete panels and perforated metal panel balcony screens will rise together, juxtaposed above the original 1917 reclaimed brick building.

LIVE AT Q, WHERE EVERYTHING IS WALKABLE IN MINUTES.

One minute walk to ION light rail transit to get anywhere fast

World-class Universities & Colleges are a short walk or LRT ride

Google

A short walk to the Innovation District, home to many tech co's and major employers

Steps to Victoria Park and peaceful urban green spaces

Surrounded by music and theatre from large venue to street side

Restaurants and bars offer social choices on every corner

Feed your creativity on Goudies Lane and in the Art Walk

LIVE, LEARN, WORK AND PLAY, STEPS FROM Q.

Put your feet up in Vogelsang Green, or kick them up in Victoria Park. Head to the theatre, a local bar, a concert, the library, museum, Farmer’s Market or art gallery. It’s playtime near Q Condos.

Live close to world-class universities and college campuses, and walk to work at any one of the dozens of technology companies calling downtown Kitchener home – like Google, Communitech, ApplyBoard, and VidYard.

KITCHENER'S VIBRANT FUTURE, DOWN THE STREET FROM Q.

Waterloo Region is moving forward with construction of a new transit hub located at the corner of King and Victoria Streets in Kitchener, walkable from Q Condos.

For recent updates on the project, visit engagewr.ca/king-victoria-transit-hub.

The new transit hub will connect the ION light rail transit, Grand River Transit, expanded GO train and bus service, VIA Rail, Coach Canada, CarShare, cyclists and pedestrians.

Images shown are artist concepts. Site design is expected to change based on public input.

The growth of both the Innovation District and Google's presence in Kitchener continues.
