## TOFFEE + VODKA

SPIRIT DRINK

*Winter Cocktails*

# The Story

Scream Retail launched the first pure toffee flavoured vodka onto the UK market. Unequalled and unique, Thunder Toffee Vodka is about stylish simplicity of taste. Free from any additives or preservatives, it is made from triple distilled grain vodka and completely natural toffee syrup, with an ABV of 29.9%.

Originating from the slopes of French ski resort Val D'isere. Thunder is the culmination of many years of mixing and meticulous preparation to find the perfect consistent toffee vodka which could then be bottled, branded and introduced to the UK. Infamously popular amongst the skiing fraternity, toffee flavoured vodka mixes have been rife in their experimentation in the bars of the French Alps for decades, but it is not until now that a recipe has been developed that satisfies the taste in both vodka strength and toffee syrup delicacy.

Enjoy as an ice-cold shot, over ice, or in one of our delicious cocktails.
