

STAND UP POUCHES

THE BASICS

Our Stand Up Pouches are ideal for food, electronic, cosmetic, retail, medical and other household applications. Designed with superior barrier properties to allow contents to stay fresher longer and constructed so the pouch stands on its own when full.

Choose from Clear Poly Nylon and Clear PET Front/ Silver Metalized Back. Film material specification documents are available upon request.

TECHNICAL DETAILS

Made with multi-layer film for superior barrier protection. All pouches are heat sealable, featuring a K-style construction, 3/8" seals, tear notches at 1", zipper at 1.5" and 1/4" round hang hole. These are USDA and FDA approved. Measured in outside dimensions (O.D.). Available in cases.
