SIGHT-SEEING & ATTRACTIONS

Sunny is walking distance to all amenities, including the beach. Our proximity to Noosa Heads and Sunshine Coast Airport is not our only attraction, you could also be exploring Maleny, Montville and surrounding areas in less than an hour.

GETTING AROUND

Getting around Coolum Beach is best by foot, particularly given the location of Sunny On Coolum Beach. If you need to get into the car for a bigger shop, there is plenty of parking at Coolum Village where you will find Coles supermarket and a number of other retail stores and cafes. If you prefer Woolworths, you'll need to drive to South Coolum, which is a 5 minute journey in the car and lots of parking available there too.

If you are heading to the beach and travelling by car, get there early. Alternatively walking is a 500m option, and if you have brought the fur baby, entry 72 will get you straight to the off-leash part of the beach, taking you to Stumers creek and further along to Perigian Beach.
