Electrical Needs

Please list the electrical loads you need to run:

Budget & Timeline

Please indicate your budget and timeline for this project:

Please acknowledge the following:

- All parts must be fully paid for **in advance**; labor will be billed upon completion.
- Work **WILL NOT** be scheduled until all parts have arrived in stock. Shipping times and backordered parts are beyond our control.
- We **DO NOT** recommend that our off grid solar customers use electrical heating appliances, such as ovens, water heaters, space heaters, et cetera. Please consider using alternative heating devices in your plans.
