

Looking for FREE help with your **MANUFACTURING** **APPRENTICESHIPS** ?

Minnesota Training Partnership is a nationally recognized expert in helping organizations to **create** and **expand** Registered Apprenticeship (RA) programs.

Our team of Apprenticeship Experts has resources that we can offer free to qualifying RA programs in manufacturing and related occupations.

With a **15-minute** phone or video call, we can determine your eligibility and share how these resources can be used to implement or expand your apprenticeship efforts.
