

Looking for FREE help with your
MANUFACTURING
APPRENTICESHIPS ?

Minnesota Training Partnership is a nationally recognized expert in helping organizations to **create** and **expand** Registered Apprenticeship Programs (RAPS).

Our team of Apprenticeship Experts has resources that we can offer free to qualifying RAPS in manufacturing and related occupations.

With a **15-minute** phone or video call, we can determine your eligibility and share how these resources can be used to implement or expand your apprenticeship efforts.
