Pre-Tuning Questionnaire

This form **MUST** be filled out before any tuning estimates or requests will be fulfilled. Be as detailed as possible and do not leave any section blank. All information is necessary and important and will directly affect your tuning results if left out. ***PLEASE FILL OUT THE FORM COMPLETELY AND ACCURATELY!***

Before completing this form: ALL vehicles will be inspected upon drop-off prior to Rob's Performance taking possession of the vehicle. Vehicle must be in dyno-ready condition at the time of drop off. Rob's Performance reserves the right to deny services if vehicle is not tune and dyno ready upon arrival.

Please note: Rob's Performance does not perform remote or email tuning.

Directions: If any part is stock, write STOCK on the line. If aftermarket, please list manufacturer of parts, if known, and as much information as possible. Cam specs are required if not stock. Non-stock injectors must be approved before tuning as we cannot tune all brands of injectors. If in doubt, reach out via email robperformanceonline@gmail.com or call the shop at 973-450-4505.

OWNER INFORMATION

Name: _____

Phone Number: _____

Email: _____

Year/Make/Model: _____

ENGINE Mileage: _____

VIN: _____

Emissions Disclaimer: Rob's Performance will NOT modify any functions or control systems related to emissions control components. Installation of any parts that affect the operation of any emissions control components is the choice of the owner of said vehicle. By completing and submitting this tune form the owner of the listed vehicle assumes all responsibility of the modifications installed on the vehicle including modifications considered for racing and off-road use only.
