

## **ROB'S PERFORMANCE DYNAMOMETER WAIVER, DISCLAIMER & ABSOLUTE RELEASE**

As the ("**Customer**"), I, hereby represent that I have read and completed the required procedures and checks and that I have full authority to authorize the testing/tuning of this vehicle and to enter into this Waiver/Release.

I am aware that all tests are intended to be and will be at maximum performance and at wide-open throttle, thus applying stress similar to that which the vehicle would experience during operation on the road/track and is therefore susceptible to the same risks as on the road/track which may cause engine, power train and/or tire/wheel failure or damage.

As the Customer I know and accept the risk of running my vehicle on the dynamometer. As the Customer I hereby represent that I know the condition of the vehicle and I assure that it is in acceptable condition to run on the Dynamometer. I have been advised that Rob's Performance does not know, nor assumes any such knowledge of the condition of the vehicle being tested/tuned and I nevertheless, agree to have my vehicle run on the Dynamometer. As the Customer I represent that all parts of the vehicle are in good condition and are capable of full power and full throttle performance during any testing/tuning being performed.

Therefore, I hereby release Rob's Performance from any liability of any nature for damage or other losses which may be sustained as a result of the testing/tuning on the Dynamometer.
