**DISCUSSION**

- Carolann asked about the Phase 3 workshop. Miles Agar noted that after Phase 2 there will be a discussion on how to proceed for opportunities and protection of the Community.
- Maps were presented of the boundaries of today. How they can be changed and why they were changed.
- Gayle MacLean, Civic Addressing Co-ordinator, spoke about the boundaries and there was a meeting held at the BLT and Tantallon area in 2004.
- The parcel of land on the Raines Mills Road is considered in Lakeside. The reason for the boundary names is for 911.
- Discussion on how the boundaries were changed. Regional Council can change the boundaries with consultation with the Community affected.
- Process to change the boundaries is investigated to where the boundaries should be.
- The Councillor, in conciliation with Regional Planning, would write a report to Regional Council to change the boundaries.
- Gayle suggested to do a search of the oldest deed maybe to color code the parcels of land of Beechville, Lakeside and Timberlea.
- Showing ownership of Provincial, Municipal, Federal lands and what is left is private.
- Discussion on the Moratorium - Friday meeting with ANSA about Housing.
