

JAY & CARDINAL

A fusion of black oil sunflower, striped sunflower, safflower seeds, and peanut pickouts designed to deliver an energy boost and enhance vibrant plumage while providing essential fats. The mix appeals to a diverse range of birds, including Blue Jays, Cardinals, Grosbeaks, Nuthatches, Woodpeckers, and many others.

STRIPED SUNFLOWER

Best nutrition for birds, offering a protein content of about 15-18%, essential fats, and a rich source of vitamin E.

SAFFLOWER SEED

A valuable addition to birds' diets, essential nutrients like protein and healthy fats, and are notably rich in oleic acid,

FEEDER

Opt for a hopper or tray feeder to attract larger birds.

ATTRACT MORE BIRDS

Always keep a clean source of water.

Keep your feeders and baths clean and in good repair.

Planting a variety of trees, shrubs and flowers will attract birds and keep at your feeders longer.
