A MESSAGE FROM OUR TEAM

"For centuries, people around the world have raised and flown pigeons, a tradition rooted in both sport and necessity. From ancient civilizations using pigeons as messengers to the development of competitive pigeon racing, these birds have played a vital role in human history. Pigeon-keeping has evolved into a cherished hobby and community activity, offering enthusiasts the chance to connect with nature and with each other through the shared passion of caring for these remarkable birds.

We are excited to welcome you on a journey where we connect pigeons and community through premium products and dedicated support. Whether you're raising birds, enhancing your loft's performance, or simply enjoying the serene experience of pigeon-keeping, we're here to provide your loft with the best products and expert guidance.

Pigeon care goes beyond nurturing your flock; it's also a therapeutic activity that can benefit your mental health and well-being. Observing their behavior, listening to their coos, and watching their daily routines can bring a sense of calm and fulfillment, helping reduce stress and promote mindfulness.

Pigeon-keeping is an enriching hobby for the whole family. It's an opportunity to bond with loved ones, teach children about animal care and responsibility, and create lasting memories. By caring for and observing your pigeons, you and your family can develop a deeper appreciation for the companionship these birds offer while strengthening your connection to the natural world."

- Robert Gunstone,
Managing Director Turtle Mountain Seed Co.

RACING BLENDS

Proper nutrition plays a key role in achieving top racing results. Our range of racing feeds is designed to support recovery, enhance exercise performance, provide extra protein, and increase fat intake when needed. Though feeding for racing can be complex, our racing blends offer a straightforward, effective approach to optimizing performance. We also carry an extensive range of supplements to aid in quick recovery and race preparation.

PrimaLac is a scientifically tested probiotic that helps control diseases like E. coli and Salmonella in pigeons and poultry. It enhances growth, digestion, feather quality, and fertility. PrimaLac's formulation ensures that it reaches the gut, where it improves nutrient absorption and creates an acidic environment that discourages harmful bacteria. Users have reported lower bird mortality, fewer infections, better racing outcomes, and reduced antibiotic use. It can be mixed with water, supplements, and medications, with no negative side effects. Always choose probiotics with proven stability and efficacy.

PIGEON CARE

Ensure the best care for your pigeons and their loft with our comprehensive range of high-quality products. We proudly distribute top brands like Vanrobaeys, Winners, Natural Granen, and Kastle, offering everything you need to maintain a healthy and thriving environment for your pigeons. From supplements to essential loft supplies, our diverse selection is designed to meet all your pigeon care needs. Trust in our carefully curated products to support the well-being of your birds and keep their loft in top condition.

VITAMINS AND MINERALS

WINNERS- 3 IN 1

A unique blend of herbs, essential oils, and natural organic acids that positively influences the immune system, respiratory functions, and digestive processes.

WIN3IN1- 500ML

FINOL

FINOL is a blend of four oils: salmon, linseed, wheat germ, and oregano. It provides essential omega fatty acids, vitamins, and antioxidants to support pigeons' health, feather development, and immune system.

OMEGAOIL- 500ML

BRONCHOLYT

Broncholyt contains many different herbs such as echinacea, eucalyptus and mint. Echinacea: excellent effect on the respiratory tract. Pimpinella Anisum: for a strong improvement of the digestion. Eucalyptus: effective against mucus.

WINBRO - 500ML

RECUP - FORTE

Winners Recup "Forte" powder is enriched with three varieties of complex carbohydrates. These carbohydrates expedite energy level recovery, thereby facilitating the pigeon's metabolism to efficiently absorb and process essential nutrients such as proteins, fats, vitamins, and minerals.

WINREFOR- 500G

VITAMINS AND MINERALS

ENERGY BOOST

Winners Energy Boost Forte delivers an additional surge of vitality and strength, significantly enhancing the endurance of pigeons. This formula, validated through practical testing, also delivers a supplementary dose of amino acids and vitamin B-complex, further bolstering their performance and overall well-being.

WINBOO - 500 G

ENERGY START- FORTE

During the breeding period, this supplement fosters muscle development through its exceptional blend of three types of high-quality animal-derived proteins and amino acids. It guarantees optimal health for the breeding couple and essential muscle growth for young pigeons.

WINENES- 350 G

E-TROLYT

E-Trolyt is essential for pigeons' health, performance, and recovery. It helps restore fluids after exertion, speeding up recovery, and is especially useful in warm weather to keep pigeons hydrated before and during their journey.

ELECT700 - 700ML

YELLOW DROPS

Yellow Drops to prevent cancer and "the mucus" for pigeons. The direct dripping in the beak guarantees an effective action to purify the pigeon for a healthy throat. 100 % natural, based on an herbal essence, which is extracted from the flower, fruit, seed, leaves, peel or bark of plants using specific production techniques.

DROPYELL- 30 ML

VITAMINS AND MINERALS

PINK VITAMIN POWDER

Vitaminized mineral mixture for pigeons. Indispensable on the pigeon loft.

VANPINK2 - 2 KG
VANPINL4= 4 KG

WINCHOL

Winners Winchol contains methionine and choline. These are essential sulfur-containing amino acids that promote normal liver functions, prevent fatty degeneration of the liver and ensure that the fats are transported to the cells that are essential for the proper functioning of the nervous system.

WINCHOL - 1000 ML

VITAMINS AND MINERALS

WINNERS®

HERBA CHAI

Herba-Chai is a herbal beverage crafted from a blend of 10 diverse herbs, leaves, roots, and blossoms. Promote the overall well-being and health of pigeons throughout various stages, including the sporting and breeding seasons, as well as during the moulting process and the shedding of down feathers.

HERCHA - 1 LT

WINNERS®

GREEN BATHSALT

Green Bath Salt creates a silky soft feather plumage. Pigeons and birds need a regular bath to keep the plumage beautiful and healthy. Therefore always add Winner's Green Bath Salts to the bath water for soft, smooth feathers and relaxed muscles.

GREENBATH - 600G

WINNERS®

LICEFREE ORAL ACTIV

Licefree Oral Activ deters red mites by making pigeon blood unappetizing. To ensure full protection, use Lifree Protect spray to prevent mites from nesting in loft cracks. Together, these products offer a safe and effective way to combat red mites.

LICEORAL10 - 50 ML

WINNERS®

LICEFREE PROTECT SPRAY

Licefree Protect Spray, made with silicon dioxide, scrubs and damages the skin of blood lice as they try to feed on pigeons. For best results, use it alongside Licefree Protect Oral to effectively combat lice and mites in the loft.

LICESPRAY - 500 ML

VITAMINS AND MINERALS

WINNERS®

GARLIC OIL

Promotes digestive health in pigeons and helps prevent yeast infections. Its linoleic acid content also aids in repelling worm infestations, making it a beneficial supplement for overall health.

GAROIL250 - 250ML
GAROIL500 - 500ML

WINNERS®

PRO-BACTO + LAURIC ACID

Supports pigeon intestinal health by promoting beneficial bacteria. This blend includes lactic acid bacteria, key probiotics that maintain gut health, and butyric acid bacteria, which provide energy for intestinal cells. Lauric acid, a fatty acid, is converted into monolaurin in the body, further supporting the balance of gut bacteria and deterring harmful strains.

WINPROLAU- 500 G

WINNERS®

VIT A-D3-E PUNCH PLUS

Vit. A-D3-E Punch with selenium is a premium liquid vitamin for breeding pigeons. Designed for the breeding season, it supports growth and overall condition. Vitamin A promotes young pigeons' development, while Vitamin D3 aids in calcium-phosphorus conversion. Start administration 2 weeks before pairing and continue for 1 month, until the youngsters are weaned.

VITAE500- 500 ML

WINNERS®

ENTERO PLUS

Made with natural organic acids and trace elements (copper and zinc), acidifies drinking water to aid pigeon digestion. It stabilizes acidity in the crop, stomach, and intestines, creating an environment that inhibits harmful bacteria and viruses. Combining Entero Plus with Winner's Pro-Bacto + Lauric Acid supports the growth of beneficial bacteria, enhancing digestive health.

WINEN - 1000ML

VITAMINS AND MINERALS

ORMI-VITA

Ormi-Vita is a dried high-quality beer yeast. Ormi-Vita contains mainly B vitamins, which contribute to an optimal energy supply and stimulate the production of red blood cells. It is also a very large source of protein and rich in various types of amino acids.

ORMIVIT400 - 400 G
ORMITVIT700 - 700 G

OREGO-FUNGI PROTECT

Winners Oregano 10% has been upgraded to Oregano-Fungi Protect 450 ml. This new formula includes added butyric acid and F.O.S. (fructo-oligosaccharides), enhancing its original benefits of oregano as a natural antibiotic and digestive aid. The additions further improve digestion support.

OREG500 - 450 ML

VITAMINS AND MINERALS

NATURALINE

Natural Naturaline, a decoction of fourteen plants and greens, supports pigeons' respiratory, digestive, and urinary health. It enhances overall resistance, maintains proper pH levels, and results in healthier skin, glossy plumage, and improved eye pigmentation, reflecting optimal health and better disease resistance.

NATU1 - 1 L

NATURAVIT PLUS

Natural Naturavit ensures rapid absorption of essential vitamins, preventing avitaminosis and enhancing racing performance. It provides a balanced supply of vitamins B1, D, A, E, and K, supporting metabolism, bone formation, growth, muscle function, and overall health.

NATUVIT250 - 250 ML

NATUVIT500- 500 ML

VITAMINOR

Natural Vitaminor is a 100% natural brewer's yeast, rich in amino acids, vitamins, and organic minerals, grown on wort, grains, and sugar derivatives. It supports metabolism, enhances physical performance, aids in growth and disease resistance, and improves fertility and vitality in pigeons.

VITAMINOR - 450 G

VITAMINOR- 850 G

BATH SALTS

Use of natural pine extracts without chemical coloring. It softens plumage, removes dandruff, and disinfects the feathers. In warm baths after races, it relaxes muscles and speeds recovery. During moulting, it helps with feather growth and keeps parasites at bay. Regular use during racing season keeps feathers glossy, with half a lid recommended for a warm, post-race bath.

BATHSAL650 - 650 GR

VITAMINS AND MINERALS

Canada Only

OREGANO HEMP SEED OIL

This oil combines the anti-bacterial properties of Oregano with the beneficial Omega 3:6:9 Fatty Acids from Hemp Seed. Oregano essential oil is known for its natural anti-bacterial and anti-fungal effects, as well as its antioxidants and health-promoting compounds like Carvacrol, Thymol, and Rosmarinic Acid.

ORHEMPOIL - 500 ML

YOUNG BIRD DEVELOPER +

Young Bird Developer™ is formulated to ensure nutrient needs of rapidly growing birds and aid the transition during and after weaning. Easily digestible ingredients and nutrient forms promote optimum gut health, intestinal and immune development along with feather and muscle growth as training approaches.

YBDEVPL500 - 500 G

COXISTAT WITH OREGANO

CoxiStat with Oregano is a natural supplement that combats coccidiosis and bacterial threats without antibiotics. It boosts weight gain in stressed pigeons and provides added protection against pathogens like E. coli and salmonella.

COXOREG250 - 250 GR

BREEDER ADVANTAGE+

Breeder Advantage+ supports breeding birds with extra protein and trace minerals to boost reproductive health, eggshell strength, and crop milk development, while promoting antioxidant production.

BREEDADV500- 500 G

VITAMINS AND MINERALS

Canada Only

ACIDIFIER PLUS

Developed by the scientists at Alltech®, Acidifier Plus contains an organic buffered acidifier which increases and maintains the acidity in the digestive tract, creating an environment optimal for beneficial bacterial populations and unfavorable to pathogens such as E. coli and salmonella. With its four essential ingredients, Acidifier Plus also includes probiotics, enzymes (aiding in digestion) and electrolytes to help maintain essential health function and manage symptoms associated with stress.

ACIDPLUS500- 500G

PERFORMANCE ADVANTAGE

Performance Advantage targets the added nutrient and metabolic demands for endurance, strength and feather quality of racing and performance birds. Additionally, Performance Advantage promotes optimum immunity needed to meet challenges of stresses from transport and exposure to new pathogens when birds from different lofts are mixed.

PERFADV500 - 500 G

VITAMINS AND MINERALS

Canada Only

IDEAL PILLS

A herbal supplement for growth and recovery, combining a blend of aniseed, saccharose, juniper berry, fenugreek seed, kola nut, cape aloe, activated carbon, and cinchon

IDEALVIL500- 500 G

HEALTH GUARD DEFENSE

A catalyzed liquid solution, Health-Gard's Defense Probiotic® features over 20 strains of live probiotics, prebiotics, bioactive enzymes, antioxidants, and trace minerals, all cultured in a blend of natural ingredients for immediate effectiveness. USDA approved.

HEALGALL - GALLON
HEALPINT - PINT
HEALQUART - QUART

E LYTES PLUS

To maintain healthy electrolyte and vitamin levels in chickens, turkeys, sheep, swine, and cattle during periods of stress due to environmental heat or handling, and to maintain and healthy appetite.

ELECPLUS400 - 400 GR

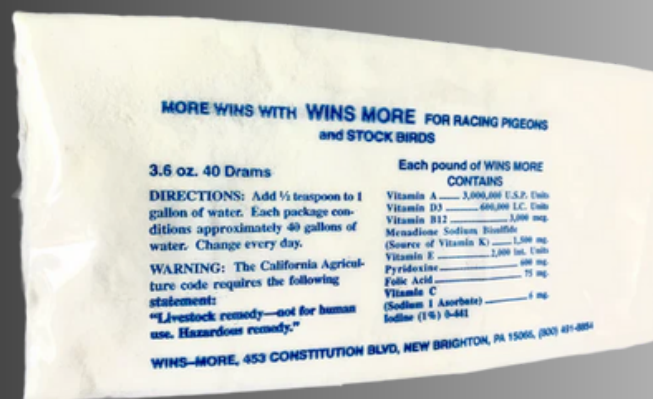

ROPA-B LIQUID

Ropa-B Liquid 10% can be given throughout the year. It is a complementary feed based on natural, essential oils from the oregano plant.

ROPAB10 - 500ML

VITAMINS AND MINERALS

WINSMORE 40G

Excellent condition and health builder. 2 weeks on Winsmore, you will notice a general improvement in the loft. Benefits racers and stock birds and caged birds with boosted energy levels, glossy plumage, increased egg fertility and improved immunity to disease. A popular vitamin. Makes 35 gallons. 1/2 tsp. per gallon of water. Caged birds, 1/4 tsp. per gallon. Winsmore 4 oz.

WINSMOR3.6- 40 G

VITAMINS AND MINERALS

ACID-PAK 4 WAY 2X

Acid-Pak 4-Way® is a unique combination of buffered acidifiers designed for pigeons, pigs, and poultry. Adding it to drinking water or completed feed is an effective approach to acidification, especially when intake is low or variable.

ACIDPAK1 - 2.2 KG

ACIDPAK5- 5 KG

GRISUP10 - 10 KG

NESTING

TOBACCO STALKS

The Natural Short Tobacco Stalks are a particularly suitable nesting material, pigeons like to use to build their nest.

TOBASTA2 - 1.5 KG

DANDYNEST

DandyNest is designed with soft, plush materials to provide the ultimate comfort for your pigeons. Built to last, DandyNest is constructed with high-quality materials that withstand the rigors and remains resilient, offering long-term comfort for your pigeons.

NESTDAN

PLASTIC NEST BOWL

Made from sturdy and lightweight plastic ensuring long-term durability and reliability. The nest bowl features a smooth and spacious interior, providing ample space for pigeons to nest comfortably. Its rounded edges and gentle slope create a cozy environment.

NESTPLA

CLAY NEST BOWL

A simple and practical nesting solution for your pigeons. Crafted from natural clay, this nest bowl offers a straightforward and secure space for your pigeons to lay their eggs and care for their young.

NESTCLA

NESTING

PLASTIC NEST BOWL WITH A MILLED RIM

This plastic nest bowl with a milled rim is an essential addition to any pigeon breeding setup, offering a secure and comfortable nesting space for your birds.

Crafted from durable, high-quality plastic, this nest bowl is designed to withstand daily use while providing a stable environment for egg laying and chick rearing.

To create a cozy and secure nest, line the bowl with soft nesting materials like straw, hay, or feathers.

Made from smooth, non-porous plastic, this nest bowl is easy to clean and disinfect.

NESTMILL - EACH

PLASTIC NEST BOWL - AIRLUXE

Made from high-quality plastic.

Comfortable and Spacious.

Excellent design for Insulation, regulating temperature and humidity within the nest bowl.

Easy Installation, stability, and low maintenance.

NESTAIR - EACH

PIGEON EGG - HOLLOW/SOLID

This durable plastic pigeon egg replicates the size, shape, and weight of a real egg, helping breeders with incubation and training when real eggs are removed for inspection or management.

NESTEGGPLA - 20/ PKG
NESTEGGSOL - 20/ PKG

NEST BOWL LINERS

These liners serve as comfortable bedding for pigeons during nesting and breeding. The natural fibers are gentle on eggs and chicks, ensuring comfort during the breeding process. They can be disposed of in compost bins where they will break down naturally.

NESTLIN -10/PKG

WATER AND FEEDING

PLASTIC DRINKER

The plastic fountain is a must-have for pigeon lofts, designed to provide a reliable and convenient source of clean drinking water for your birds.

Crafted from durable, high-quality plastic, this fountain is built to withstand the demands of daily use while offering easy portability and maintenance.

Designed to hold an ample amount of water, this fountain is easy to clean and disinfect

WATE1 - 1 LT
WATE2- 2 LT

FOUNTAIN WITH RING

The plastic fountain with a carrying ring is a must-have for pigeon lofts, designed to provide a reliable and convenient source of clean drinking water for your birds.

Crafted from durable, high-quality plastic, this fountain is built to withstand the demands of daily use while offering easy portability and maintenance.

Designed to hold an ample amount of water, this fountain is easy to clean and disinfect

DRIN3.5- 3.5L
DRIN5 - 5L
DRIN7 - 7 L

HEATED WATERER

An electric heater for a drinking trough, necessary in a loft and chicken coop during the colder seasons. Heats upto 65 C.

Voltage: 230V

Frequency : 50 Hz

WATHEA - EACH
8 / CASE

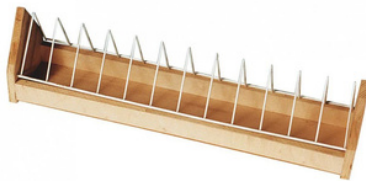

DOUBLE DRINKING CUP

The double design has two cups for water and supplements like vitamins or electrolytes, supporting pigeons' hydration and health. It attaches securely to the loft, preventing spills, and its smooth, translucent surface allows for easy cleaning and monitoring of water levels.

NESTCUPDB

WATER AND FEEDING

WOODEN FEEDER WITH TILTING GRID

Made from sturdy and lightweight plastic ensuring long-term durability and reliability. The nest bowl features a smooth and spacious interior, providing ample space for pigeons to nest comfortably. Its rounded edges and gentle slope create a cozy environment.

FEEDGRI - EACH 10/ CASE

LOFT SUPPLIES

PLASTIC FLOOR COVER

This durable plastic grate keeps pigeon breeding boxes clean by letting droppings fall through, reducing moisture and bacterial growth. It features a non-slip surface for secure footing and promotes ventilation. Easy to clean and maintain, it's essential for bird health.

PLAFLOO - EACH

PERCH CLICK SYSTEM WOODEN / PLASTIC

This high-quality perch provides a natural, comfortable resting spot for pigeons. It regulates temperature, staying cool in summer and warm in cooler weather. Easy to install and secure, it offers a stable platform with ample space for each bird.

PERCLI - PLASTIC
PERCLIWO -WOOD

CLIP RINGS PLAIN

These numbered clip rings, made from durable, lightweight plastic, offer quick and easy attachment for identifying and managing your pigeons. Each ring is numbered 1 to 25, providing clear and unique identifiers while remaining comfortable and resistant to daily wear.

LOFT SUPPLIES

STONE GALLYPOT

The Stone Gallypot is a durable container designed for loft use, promoting pigeons' natural behaviors. It can be filled with grit or mineral supplements to support digestive health, which is essential for maintaining the pigeons' overall well-being.

Available in Small and Large sizes.

GALLSTSM - SMALL
GALLSTO- LARGE
GALLPLA - PLASTIC

PRO SMOKE

Winners Pro Smoke tabs use a heat-producing mix combined with herbs that vaporize when lit, helping eliminate ticks, mites, and flies. They also benefit pigeons' respiratory health, reducing the risk of respiratory diseases.

SMOKEPRO- 3 TABLETS

VIRKON POWDER

Virkon S is a disinfectant that combats bacteria, viruses, fungi, and canker, supporting pigeons' health. Administer it every six to eight weeks, in drinking water, or spray the loft with it. Cider vinegar in drinking water also helps by killing fungal and yeast spores.

VIRKON50- 50 GR

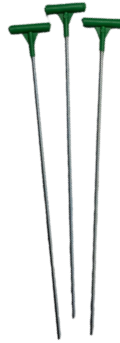

FLOOR COVERING

Natural Granulated Floorcovering is a highly absorbent lava-based product that dries pigeon droppings, prevents coccidiosis and ascarid egg maturation, and controls odors. It can be used as fertilizer and lasts up to a year with weekly raking.

LOFT SUPPLIES

BOB WIRES

OB wires are installed at loft entrances to control pigeon movement, allowing birds to re-enter but preventing them from leaving. Made from durable, rust-resistant materials like stainless steel, they are designed for long-lasting performance in various loft designs and weather conditions.

BOBWIR - EACH

SCRAPER STAINLESS STEEL

Designed for durability and efficiency, this scraper helps you quickly and effectively remove droppings, dirt, and debris from various surfaces, ensuring a clean environment for your birds.
