SONGBIRD'S FAVOURITE

ABOUT

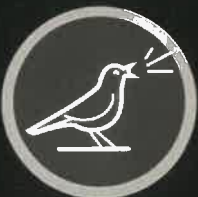

Meticulously blended with cut corn, white millet, red milo, red millet, peanut pickouts, soft red wheat, black sunflower, and green millet, this mix attracts a diverse array of birds and provides essential nutrients, fostering their health and adding vibrancy to your backyard retreat.

Planting Serviceberry for berries, Oak, Cedar, Juniper, and Pine and Fir for additional nesting and feeding opportunities

Well-suited feeders for this blend include hoppers, tubes, platform and trays.

Among the frequent visitors to this enticing mix are goldfinches, chickadees, mourning doves, nuthatches, and titmice.
