

FRIENDLY FARE

ABOUT

This thoughtfully composed blend of whole corn, malt barley, hard red wheat, peanut pickouts, striped sunflower, western whole oats, and red milo is perfected to offer both birds and squirrels delectable flavors and nourishing goodness

Plant Oaks, Serviceberries, Spruces, Maples, Beeches, Pines, and Alders for a daily symphony of delightful bird songs.

For optimal results, select a hopper or platform feeder, as their design effectively accommodates the diverse mix of seeds and grains.

This blend is ideal for Blue jays, Nuthatches, Woodpeckers, Cardinals, Chickadees, Finches, Sparrows and Squirrels to your backyard.
