

MIXED TREE NUTS

ABOUT

A medley of walnuts, almonds, filberts, pistachios, and assorted nuts, this blend is enhanced with omega-3 and omega-6 fatty acids, proteins, and essential nutrients such as vitamin E, B, magnesium, and potassium.

Plant white oak, wild grape, or staghorn sumac to lure nut-loving birds to your vicinity.

Select a large port or a wide platform feeder to attract a wide array of birds.

Designed to attract a diverse array of birds including Chickadees, Nuthatches, Woodpeckers, Jays, Finches, and Sparrows.
