

FLYER'S CHOICE

ABOUT

This harmonious blend of cut corn, white millet, red milo, soft red wheat, black sunflower, and green millet contributes to the overall health of the birds by fostering vibrant plumage, boosting energy levels, and creating a lively, thriving backyard environment.

Craft a bird-friendly oasis in your backyard with trees like Serviceberry, Dogwood, Oak, Juniper and Elderberry

This mix can be paired perfectly with hopper, tube, and tray feeders while offering them a nearby water source.

This blend beckons a myriad of enchanting birds, including finches, sparrows, cardinals, blue jays, and many more.
