FEED & SUPPLY

WASTE FREE

A carefully crafted blend featuring high-quality ingredients, including raisins, white and red millet, peanut and sunflower chips, ensures minimal waste and attracts a variety of species like Woodpeckers, Jays, Chickadees, Nuthatches and many more.

SUNFLOWER CHIPS

Sunflower chips provides high energy from fats and essential nutrients such as proteins and fiber. With no shells, these chips reduce mess and waste.

RAISINS

Raisins, being a source of energy with high levels of natural sugars and packed with vitamins and minerals like potassium, contribute to feather health

FEEDER

Best suited for tube feeders attracting finches, chickadees, and smaller birds while hopper feeders may entice Cardinals and Jays

ATTRACT MORE BIRDS

Always keep a clean source of water.

Keep your feeders and baths clean and in good repair.

Planting a variety of trees, shrubs and flowers will attract birds and keep at your feeders longer.
